Theories and Origins of the Modern Police

Edited by **Clive Emsley**, The Open University, UK

The History of Policing

The most significant English-language articles on the historical development of the police institution are gathered together in this volume. The articles introduce the theoretical outlines that have been suggested for the origins and development of modern police institutions across Europe and explore the systems of enforcement, and the criticisms of them, that had emerged on the eve of the revolutionary upheavals in Europe.

Contents: Introduction; PART I: THEORY: Preventive principle of police, *Charles Reith*; Ideology as history: a look at the way some English police historians look at the police, *Cyril D. Robinson*; The demand for order in civil society: a review of some themes in the history of urban crime, police and riot, *Allan Silver*; The police and political development in Europe, *David H. Bayley*; *Polizei*, *Franz-Ludwig Knemeyer*.
