6.30 pm
(after the African Studies seminar)

In *Moving the Maasai* Lotte Hughes tells the scandalous story of how the Maasai people of Kenya lost the best part of their land to the British in the 1900s. Drawing upon unique oral testimony and extensive archival research, she describes the many intrigues surrounding two enforced moves that cleared the highlands for European settlers, and a 1913 lawsuit in which the Maasai attempted to reclaim their former territory, and explains why recent events have brought the story full circle.
