

## Feedback alignment Self-evaluation template for students

Look at the assignment that was returned to you.

What was the main strength of this piece of work in terms of <Criterion 1, e.g. **the use of language in your essay**>?

Where did this answer come from?

- Worked it out myself
- Found it in my tutor's feedback
- Unable to answer because I just don't know
- Unable to answer because the question does not apply

Give one specific example of this strength in your work.

Where did this answer come from?

- Worked it out myself
- Found it in my tutor's feedback
- Unable to answer because I just don't know
- Unable to answer because the question does not apply

Explain what is good about the example that you just gave.

Where did this answer come from?

- Worked it out myself
- Found it in my tutor's feedback
- Unable to answer because I just don't know
- Unable to answer because the question does not apply

Suggest one thing you could do to build upon this strength in future.

Where did this answer come from?

- Worked it out myself
- Found it in my tutor's feedback
- Unable to answer because I just don't know
- Unable to answer because the question does not apply

What was the main problem area this piece of work in terms of <Criterion 1, e.g. **the use of language in your essay**>?

Where did this answer come from?

- Worked it out myself
- Found it in my tutor's feedback
- Unable to answer because I just don't know
- Unable to answer because the question does not apply

Give one specific example of this problem in your work.

Where did this answer come from?

- Worked it out myself
- Found it in my tutor's feedback
- Unable to answer because I just don't know
- Unable to answer because the question does not apply

Suggest a correction

Where did this answer come from?

- Worked it out myself
- Found it in my tutor's feedback
- Unable to answer because I just don't know
- Unable to answer because the question does not apply

Justify/Explain the correction you just suggested.

Where did this answer come from?

- Worked it out myself
- Found it in my tutor's feedback
- Unable to answer because I just don't know
- Unable to answer because the question does not apply

Suggest one thing you could do to overcome this problem in future.

Where did this answer come from?

- Worked it out myself
- Found it in my tutor's feedback
- Unable to answer because I just don't know
- Unable to answer because the question does not apply
