The Disabled Veterans’ Scholarships Fund will offer veterans, disabled in or due to military service, access to free Open University education and specialist support.

The programme will seek to provide 100 full fee waiver scholarships (or equivalent), and a wraparound disability and careers support service, to ensure that students are able to fully take advantage of educational opportunities.

Study may take the form of an introductory access module, a first Level 1 module, or an entire undergraduate or postgraduate qualification; dependent on the needs and objectives of the applicant.

The scheme, supported by a bespoke team of advisors, will draw on The Open University’s fifty years of experience in providing education to disabled students. With a disabled student community of over 23,000 students, The Open University is expert in providing extraordinary support to students experiencing an array of physical and mental disabilities.
