WHY DID MBA STUDENT VALERIE POUGET CHOOSE THE OU?

“Firstly, flexibility, I move quite often - cities, countries. I could continue my studies, even if I had to move again. Cost as well. I believe it’s the right price, and also the fact that it’s mostly through the internet, so it’s really convenient wherever you work.”

RETAIL GURU AND FORMER DRAGON THEO PAPHITIS TALKS EARNING WHILE LEARNING

“The OU Business School provides modules that thriving business people can study while they earn, allowing them to brush up on their skills and explore new areas of knowledge, applying what they learn to their current role from day one.

This is important in today’s fast-paced world where businesses and entrepreneurs need to keep up and preferably stay ahead to survive.”

YOU’LL GAIN REAL-WORLD EXPERIENCE AND CONTACTS
Our MBA is much more practice-focussed than many other MBAs. You will test theoretical frameworks against actual business problems – often within your own workplace, so what you learn today, you can immediately put into practice tomorrow.

You’ll also study with people from all sorts of backgrounds who work in very different industries – a brilliant opportunity to learn from, and network with, professional peers. Being part of our Business School’s 86,500-strong worldwide alumni network could open doors for you.

MORE THAN JUST A QUALIFICATION

GRADUATE MAGGIE MILLER GOT MORE THAN JUST A QUALIFICATION FROM HER MBA

“It gave me valuable life lessons about priorities. The different modules also helped me acquire the beginnings of a common language to communicate with professionals outside my chosen fields. I now have an appreciation of these professions and their challenges and can understand how my own area can contribute to their success.”

WHY CHOOSE THE OU MBA?

BOOST YOUR CV WHILE YOU STUDY
You don’t have to wait until the end of the whole course to get a CV-enhancing qualification. You’ll be eligible for the Postgraduate Certificate in Business Administration when you finish Stage 1 and a Postgraduate Diploma in Business Administration after you’ve completed 120 credits.

YOU’LL GET THE HELP YOU NEED TO SUCCEED
You’re never alone with the OU. You’ll have an experienced tutor for each module who’ll be able to give you help, feedback and advice.

You’ll also be part of an active online student community with peer and tutor support. Access to face to face networking events, close up career support with online webinars and career mentoring from our MBA Alumni.

“No, I didn’t find it like that at all. Yes you’re working remotely, studying and such, but we had regular tutorials. Our tutor group became very good friends. We used to meet up, do revision together and even set up our own mock exams.”
