

D208/06 clip – John Scupham and the OU Advisory Committee

Contributors in clip: David Greengrass, John Scupham

Clip transcript:

David Greengrass [narrator]:

Jennie Lee herself chaired the Advisory Committee, and John Scupham was one of the original members.

John Scupham:

I remember at our very first meeting one of us had the temerity to say “and may we take it that we are looking at this project with an open mind, Miss Lee?”. She said “you may not! If I thought you had an open mind about it, I shouldn’t have asked you to come here today” – so we knew where we were. We were there to give body and some practical working plans to an intention that had already been formed.
