Appendix II: Interview schedule (first phase)

Introductory question
So before we get started, could you tell me a bit about what you have been studying at the OU?

Main questions
What things do you consider when selecting modules to study?
Thinking about the last module that you selected?
- What attracted you to choosing it?
- What put you off other modules that you could have selected?
- What else might have helped you in deciding what module to choose?
- Why were these things important?
- On reflection do you feel you chose the right module?
- Were those factors the right ones to consider do you think?

Did you have anything else you wanted to add?

Closing statement
That’s great, thank you very much for all your feedback, I really appreciate it.

Please keep an eye out on the website/social media to see how the research is progressing, and to see the results when they are published next year.
