QUALITY ASSURANCE AGENCY DRAFT ACTION PLAN

The CEC is asked to:-

i) comment on the draft action plan developed by the University in response to the recommendation of the Quality Assurance Agency (QAA) Review

ii) note that the appendix to this paper has not been published and will retain its strictly private and confidential status unless the CEC expressly determines otherwise

The appendix to this paper contains a draft of the action plan developed by the university in response to the features of good practice, recommendations and affirmations identified in the QAA (Quality Assurance Agency) report following their review in December.

At the time of writing this paper, I have received an earlier draft of this document which (by the time of the meeting) I will have commented on along with several others and changes may have been made as a result. As such I cannot draw attention to any specific sections of concern.

Comments from the CEC meeting will be sent as a paper to a correspondence meeting of the university’s Academic Quality and Governance Committee (AQGC) which has been convened to make any final amendments and approve this plan.

Once that has happened, the document will be jointly approved by the Vice Chancellor on behalf of the university and the President on behalf of OUSA. It will then be published on the university’s website and reviewed annually to ensure appropriate steps are being taken.

Josh Brumpton
Vice President Education Policy
