Role Title:
Activity Volunteer for Parkinson’s UK

What will you be doing?
You will be either be leading local activities for people with Parkinson’s, if you are appropriately qualified, or you will be supporting another qualified tutor to lead them. You will also be booking and preparing the venue and helping to make sure the sessions are open and friendly and welcome people from all walks of life who have Parkinson’s.

These sessions are entirely based on your interests and/or qualifications but some examples include:

- Walks
- Exercise
- Singing

This is a great opportunity to do something meaningful in your community and you will be the main point of contact for this activity.

Sound like something you would like to be involved in? Take a look at the full role description.

How much time do you need?
This role is flexible and can be carried out at times which suit you, however it is important that sessions take place on a set day and time so that participants can plan ahead to attend. Your Volunteer Coordinator will talk more with you about this.

Can I do this role from home?
Some small elements of this role can be completed at home such as booking the venue and advertising your session.

The main aspect of your role will require you to travel to deliver your session at a local venue.

This role is based in Northern Ireland.

How do I apply?
Please complete this application and send to oustudents-volunteer@open.ac.uk. These application forms will be reviewed by the Students Volunteering Team and will then be passed on to the Northern Ireland Parkinson’s UK office.

If you have any questions or would like help finding the right role for you, please contact us and we will be happy to help!
