BRITISH LIBRARY DOCTORAL THESIS AGREEMENT FORM

The British Thesis Service is designed to promote awareness of and improve access to the results of publicly funded British Doctoral Research.

Records of theses in the scheme are available for searching in The British Library Integrated Catalogue (www.bl.uk/catalogues) and the *Index to Theses* published by Expert Information Ltd (www.theses.com).

On demand access is provided for individual researchers and libraries from a single, central collection of more than 170,000 doctoral theses.

See www.bl.uk/britishthesis for more information

Access Agreement

Through my *university/college/department, I agree to supply the British Library Document Supply Centre, with a copy of my thesis.

I agree that my thesis may be copied on demand for loan or sale by the British Library, or its agents, to requesting libraries (who may add the copy to their collection for loan or consultation) or individuals.

I confirm that the thesis and abstracts are my original work, that further copying will not infringe any rights of others, and that I have the right to make these authorisations. Other publication rights may be granted as I choose.

The British Library agrees to pay me a royalty of ten percent on any sales of the second and subsequent copies of my thesis per year. The royalty will be paid annually in April.

In order to be eligible for such royalties, I agree that my obligation is to notify the British Library of any change of address.

Submission of Theses to the British Library

The British Library is asking the universities' co-operation in requiring doctoral degree candidates to carry out the following:

Complete a BL agreement form as part of their standard procedure. The form;

- i asks authors to provide personal data and thesis data as it will appear in catalogue records and alerting media.
- ii asks authors to sign an authorisation enabling the BL to produce copies for loan or sale
- iii provides for payment of royalties by the BL to the author. The royalty will be 10% of revenue received from sales of a second or subsequent copy during any period of one year. The royalty will be paid annually in April, and it is the author's responsibility to keep the BL informed of any change in address.
- iv sets out minimum standards of physical presentation. The text supplied must be the examined printed text; options for acceptance of electronic full-text are under review.

Supply the BL with a photocopy of the title page and abstract with the completed agreement form.
