Introduction

This document sets out the additional terms of the agreement that you are making with The Open University relating to your study towards a Nursing Degree. It is the Supplementary Agreement referred to in the Conditions of Registration and should be read together with those Conditions and the rules, regulations and policies referred to within them and in this agreement. By registering for a Nursing Degree you are agreeing to these terms.

This Agreement is effective from the date you registered for your Nursing Degree and will continue to apply until you have either completed your qualification or your registration has lapsed or been cancelled, whichever occurs first.

For specific guidance on how this agreement may relate to your personal circumstances, please contact the Nursing team who are specially trained to advise on the implementation of this agreement.

Main terms of the Supplementary Agreement

1 Summary of the main terms of the Supplementary Agreement

1.1. This section sets out a brief summary of the supplementary terms of your agreement to study a Nursing Degree with The Open University. You are agreeing to:

a) comply with and abide by the professional standards set by the Regulatory Authority.

b) remain in employment and have continual support from your Learning Sponsor for the duration of your study towards completion of the Nursing Degree.

c) comply with the legal requirements of your Learning Sponsor, Financial Sponsor (where applicable) and Placement Provider, as set out in their respective policies and procedures.

d) meet both the professional standards of the Regulatory Authority, as set out in The Code, as well as the academic standards and practice-based requirements that are identified within the relevant module and qualification websites. You must do this in order to be awarded your Nursing Degree.

e) notify The Open University, your Learning Sponsor and your Financial Sponsor, as soon as possible, of any concerns you have of not meeting such requirements.

f) You understand that The Open University may suspend or terminate your registration or deny the award of the Nursing Degree if the terms set out in this agreement are not met.
g) You understand that The Open University, your Learning Sponsor, your Financial Sponsor and any Placement Provider may share necessary information about your health, disability, academic performance, conduct, fitness to practise and professional standards. Such information will be kept secure and will only be processed in accordance with The Open University’s Student Privacy Notice.

2 Professional Standards and Fitness to Practise Procedures

2.1 By entering into this Supplementary Agreement you explicitly acknowledge that you understand and agree to be bound by the professional standards set by the Regulatory Authority in The Code which apply to Nursing students. This means that:

a) If a concern is raised that you are not achieving or maintaining those standards at a level appropriate to the stage of your studies for the Nursing Degree, you may be referred under the Open University’s Fitness to Practise (FtP) Procedure which may result in:
   • conditions being applied for you to continue to study for a Nursing Degree;
   • suspension from study for a Nursing Degree;
   • termination of registration for a Nursing Degree;
   • the withholding of the award of a Nursing Degree.

b) You agree to notify The Open University as soon as practicable of any matter which may give rise to any concern about your ability to meet the professional standards of the Regulatory Authority, referring any such matter verbally, electronically or in writing to your Practice Tutor or where this may cause delay, to the Staff Tutor or Education Manager in your area. The Employer Link at your organisation will be able to provide contact details as necessary.

2.2 In order to be eligible for the award of Nursing Degree you must, in the opinion of the Module Results Panel for each module completed, satisfactorily meet both the academic requirements and the professional standards requirements.

2.3 If it has been determined that you have failed to meet the required professional standards as a result of matters that occurred prior to your registration with the Regulator, a declaration to the Regulator of your good health and character may be withheld on the recommendation of an FtP panel. This may be the case even if you have been awarded sufficient module credit to satisfy the academic and practice learning requirements of the Nursing Degree. This would mean that you would be unable to register, and therefore practise, as a nurse regardless of the award of the degree.

2.4 If a Nursing Degree has been awarded and any matters occurring before the award of the qualification subsequently come to light that, in the opinion of an FtP panel, ought to have been declared and, if so, would have resulted in the withholding of the Nursing Degree, the matter shall be referred to the Central Disciplinary Committee of The Open University who shall have the power to withdraw the Nursing Degree.

2.5 If the Nursing Degree is not awarded you may be offered an alternative Open University qualification for which you have met the credit requirements.
3 Practice Learning Periods

3.1 When you register for a Nursing Degree with The Open University, you agree to:

a) Cooperate with your Learning Sponsor to facilitate your participation in sufficient appropriate Practice Learning Periods to enable you to meet the learning outcomes of the Nursing Degree.

b) Cooperate with your Learning Sponsor or Placement Provider and meet any reasonable requirements to maintain the reputation of the Placement Provider and for compliance with their legal obligations and service standards in connection with your participation in the Practice Learning Opportunities provided.

c) Comply with the employment policies and practices of the Learning Sponsor and/or Placement Provider and take all reasonable steps to maintain your employment and any Practice Learning Opportunities provided in order to complete the Nursing Degree.

3.2 Whilst undertaking practice learning you are required to cooperate with the Mentor allocated by your practice Placement Provider in order that the Mentor can:

a) Carry out observations and supervised practice, and offer regular feedback to you throughout the Practice Learning Periods;

b) Carry out such assessment responsibilities as the Pre-registration Nursing Programme requires; and

c) Participate in planning, monitoring and review meetings with you and your Practice Tutor.

3.3 In the event that you are in breach of the clauses outlined in paragraphs 4.1 and 4.2, so that in the reasonable opinion of your Learning Sponsor and Open University Staff Tutor / Education Manager it is not reasonably practicable for you to complete a Practice Learning Period, neither your Learning Sponsor, Placement Provider nor The Open University shall be under any obligation to provide a further opportunity for you to meet the practice learning requirements for that module. In these circumstances you will be deemed to have failed the module and your studies may be suspended in accordance with the FtP Procedure.

3.4 If the Learning Sponsor does not allow you sufficient time for Practice Learning Periods as set out in the module materials to enable you to complete any module, The Open University will endeavour to extend the study period for you to allow the Learning Sponsor to provide practice learning opportunities. The Learning Sponsor or, where applicable, Financial Sponsor will be liable for any additional costs that may be incurred as a result of such extension, or to provide you with advice and support to enable you to find an alternative Learning Sponsor and/or Practice Learning Periods.

3.5 If you are permitted to enrol for a module that falls in the next stage of the Nursing Degree before you have completed the final module in your current stage, you will be required to complete your current stage module, to include having received results, within 12 weeks of the start of your next-stage module.
3.6 If you do not complete the preceding module, you may be deregistered from the new module, in which case you cannot re-enrol until you have completed the outstanding module.

4 Termination of Employment and / or Sponsorship

4.1 If you leave your employment then your Learning Sponsor’s obligations as set out in this Agreement, will cease at that point. In order to remain registered for the Nursing Degree, it will be your responsibility to find a suitable alternative Learning Sponsor in order to complete any further practice learning required and to complete the Nursing Degree within the specified time limit.

4.2 If you are financially supported (England only), in respect of tuition fees and / or any other financial support and your financial sponsorship is withdrawn for any reason, it will be your responsibility to ensure that you continue to meet your liabilities in respect of tuition fees, or else you will be withdrawn from the programme. This may include securing new Financial sponsorship or through the use of student loans, for instance.

4.3 Should you become aware of any potential change to your employment that may affect your ongoing relationship with your Learning Sponsor and / or your Financial Sponsor, you must notify The Open University at the earliest opportunity in order that alternative arrangements may be considered.

4.4 If you are sponsored in respect of your tuition fees and leave your employment where your Financial Sponsor is some entity other than your Learning Sponsor then, with your Financial Sponsor’s agreement, you may seek suitable employment with an alternative employer who will agree to act as your Learning Sponsor in order to allow you to continue with your Nursing Degree, so long as the new employer can provide the appropriate practice learning experiences and Mentors to meet the qualification requirements. You must contact the Nursing Team to discuss this.

4.5 In the event of termination of the Open University’s collaboration agreement with your Learning Sponsor for whatsoever reason, The Open University will take reasonable steps to enable you to finish the programme including completing all necessary modules and carrying out all necessary Practice Learning Periods.

4.6 You must complete your Nursing Degree within seven years unless you are given an extension at the discretion of the Board of Studies for Health, Wellbeing and Social Care. This board is the appropriate decision-making body within the governance structure of the Faculty of Wellbeing, Education and Language Studies at The Open University. Applications for an extension may be considered where you have been unable to study through reasons beyond your control (see Appendix 1). Other circumstances under which an extension may be granted are:

- if you are suspended under FtP Procedures and subsequently reinstated;
- if you lose your job through no fault of your own, and are unable to find immediate replacement.

4.7 If, for any reason, you are unable to complete the Practice Learning Periods for a module, upon your return to study, and as a minimum, you will be required to complete the final Practice Learning Period of the stage of the Nursing Degree programme from

which your studies were interrupted. You may request to have practice hours that you have completed during the module carried forward for those Practice Learning Periods that you have completed in full.

4.8 To complete your Open University Nursing Degree, you are required to study at least every other year, or take an approved study break as set out in the Changing Your Study Plans Policy and Procedure. If you fail to do so, you will be deregistered from your Nursing Degree.

4.9 If your contract with your Learning Sponsor is terminated you must find a replacement Learning Sponsor to complete modules incorporating the required Practice Learning Periods of practice learning for the relevant stage of the Nursing Degree you are studying. If you do not do this within 2 years of your last Practice Learning Period you will be deregistered from the Nursing Degree. In such circumstances you may retain your credit and return to study later if you are eligible to do so, subject to the rules and regulations that are in place at the time of your subsequent registration.

5 Termination of Registration

5.1 Your registration for the Nursing Degree may be cancelled in the circumstances set out in the Conditions of Registration. In addition, we may cancel your registration if you do not:

- remain in employment;
- undertake practice learning with your Learning Sponsor or an agreed Placement Provider;
- maintain the standards of the Regulatory Authority with respect to your health, competence and standards of behaviour.

5.2 If you fail a module (this includes the failure of any examination resit or resubmission of an end-of-module assessment or portfolio), it is at your Financial Sponsor’s (where applicable) and / or your Learning Sponsor’s discretion whether they continue to support you with the Nursing Degree programme. You should refer to the Fee Rules to determine whether you, or your Financial Sponsor should pay reduced fees to repeat study of a module you have failed.

5.3 If support is withdrawn, The Open University will cancel your registration for the Nursing Degree, but will reinstate that registration if, before the start date of the next module presentation, you have obtained an alternative Financial Sponsor (or in England only, made suitable alternative arrangements for the payment of tuition fees) and / or Learning Sponsor.

5.4 You are required to find a replacement Financial Sponsor (or in England only, make suitable alternative arrangements for the payment of tuition fees) and / or Learning Sponsor in order to continue with the Nursing Degree programme. You may however, study academic modules that are not specific to the Nursing Degree programme within the stage you are currently studying, provided you are able to meet the learning outcomes of that module.
6 Information sharing and Data Protection

6.1 Please see the Open University’s Student Privacy Notice for full information on how data is collected and used by The Open University. There are some additional points that relate to this Supplementary Agreement. By entering into this Supplementary Agreement, please note that:

a) The Open University may share information about your academic performance and professional standards so far as it relates to your study for a Nursing Degree with your Learning Sponsor, your Financial Sponsor and any Placement Provider. In particular there is a duty to share information about issues relating to your conduct which might affect your professional suitability or fitness to practise and your continued participation in any practice learning environment.

b) Information about health and disability may be shared with Placement Providers in line with legal obligations to provide reasonable adjustments. Additionally, data may be shared so that that neither you nor members of the public are put at risk whilst you carry out a placement. This is in line with our responsibilities under health and safety legislation.

c) The Open University, your Learning Sponsor, your Financial Sponsor and any Placement Provider will keep secure any information shared among them; they will process it only in accordance with their Data Protection Policy and they will not communicate such data to any third parties other than to the Regulatory Authority if required to do so.

d) The Open University may consider any such concern through its FtP Procedure and that this may lead to conditions being applied to your continued registration on the programme, your suspension or deregistration from the programme, or your expulsion from The Open University.

e) Your Financial Sponsor (where applicable), your Learning Sponsor or any Placement Provider may notify The Open University of any matter which might give rise to any concern about your ability to meet the professional standards of the Regulatory Authority.

f) The Open University, your Learning Sponsor, your Financial Sponsor (where applicable) and any Placement Provider may share information and evidence about matters relating to your conduct which might affect your professional suitability, fitness to practise, continued employment or your participation in a Practice Learning Period. Your Learning Sponsor, as your employer, has the right to deal with employment matters under their own procedures notwithstanding that the Open University’s Fitness to Practise Procedure may also be invoked in respect of those matters.

g) The Open University may have a legal obligation to provide certain information to the Regulatory Authority.
h) The Open University will, if required to do so, notify the Regulatory Authority of any matter relating to suitability or fitness to practise that is under investigation and the outcome of any investigation. However, The Open University will not share information regarding an investigation into fitness to practise with a Financial Sponsor (where applicable), Learning Sponsor or Placement Provider where the matter under investigation is not considered to pose an immediate risk in the circumstances, or to service users or patients.

6.2 On the completion of your Nursing Degree The Open University will, if required to do so and subject to ongoing confirmation of good health and good character, provide any report or reference required by the Regulatory Authority as a condition of entering practice in nursing.

6.3 If, on completion of the academic requirements, the award of a Nursing Degree is being withheld, The Open University will provide any report or reference required by the Regulatory Authority in respect of that matter. We will provide the relevant information as directed by the Regulatory Authority, which may be to transfer it directly to a third party supplier engaged by the Regulatory Authority.

7 Withdrawing from or deferring your studies

7.1 If you intend to defer or withdraw from a module before it is completed, you should discuss this with your Staff Tutor or Education Manager. If you have deferred, your Staff Tutor or Education Manager, in turn, will need to liaise with your Financial Sponsor and/or Learning Sponsor, who may be liable for any additional fees when you resume studying the module.

7.2 The Open University will administer any Fee Credits or Fee Refunds that are due in accordance with the Fee Rules unless you have made a specific agreement with us and your Financial Sponsor for any fee credits or fee refunds to be made directly to the Financial Sponsor.
