Which means that for no extra cost you'll be able to get out and about on your days off too. Furthermore, at weekends up to two children can also travel for free with the ticket holder. See cost comparison table below:

How it Works

Pay even less for your travel each week by purchasing a yearly ticket but paying for it with a monthly direct debit

The travel club is an ideal way to get reduced bus travel for the year without having to pay upfront

There's no set up fee and no minimum contract, which means you can cancel your direct debit at any time should your circumstances change

Payments are taken on the 1st or 15th of each month. The nearest direct debit date will be the default option available to choose

Please allow at least two weeks to register before the date of your first direct debit payment. I.e., for payments on the 1st April please register by 18th March

- For DD payments on the 1st of the month your first ticket is dispatched the following week and will commence from 12th of the month.
- For DD payments made on the 15th of the month your first ticket is dispatched the following week and commence on 27th of each month.
- Thereafter your ticket will just rollover every month
