# Changing the way we survey learners

Why did we need a new solution?

Surveys in the user journey

Gaining insights from data

# Why did we need a new solution?

Stepping away from SurveyMonkey

# Improvement Area #1: How could we reach more and more types of learners?

**Improvement Area #2:**  
How could we get better insights (by asking the right questions at the right time)?

# Improvement Area #3:

How could we make the data more accessible for partners?

# Surveys in the user journey

What and when do we ask from learners?

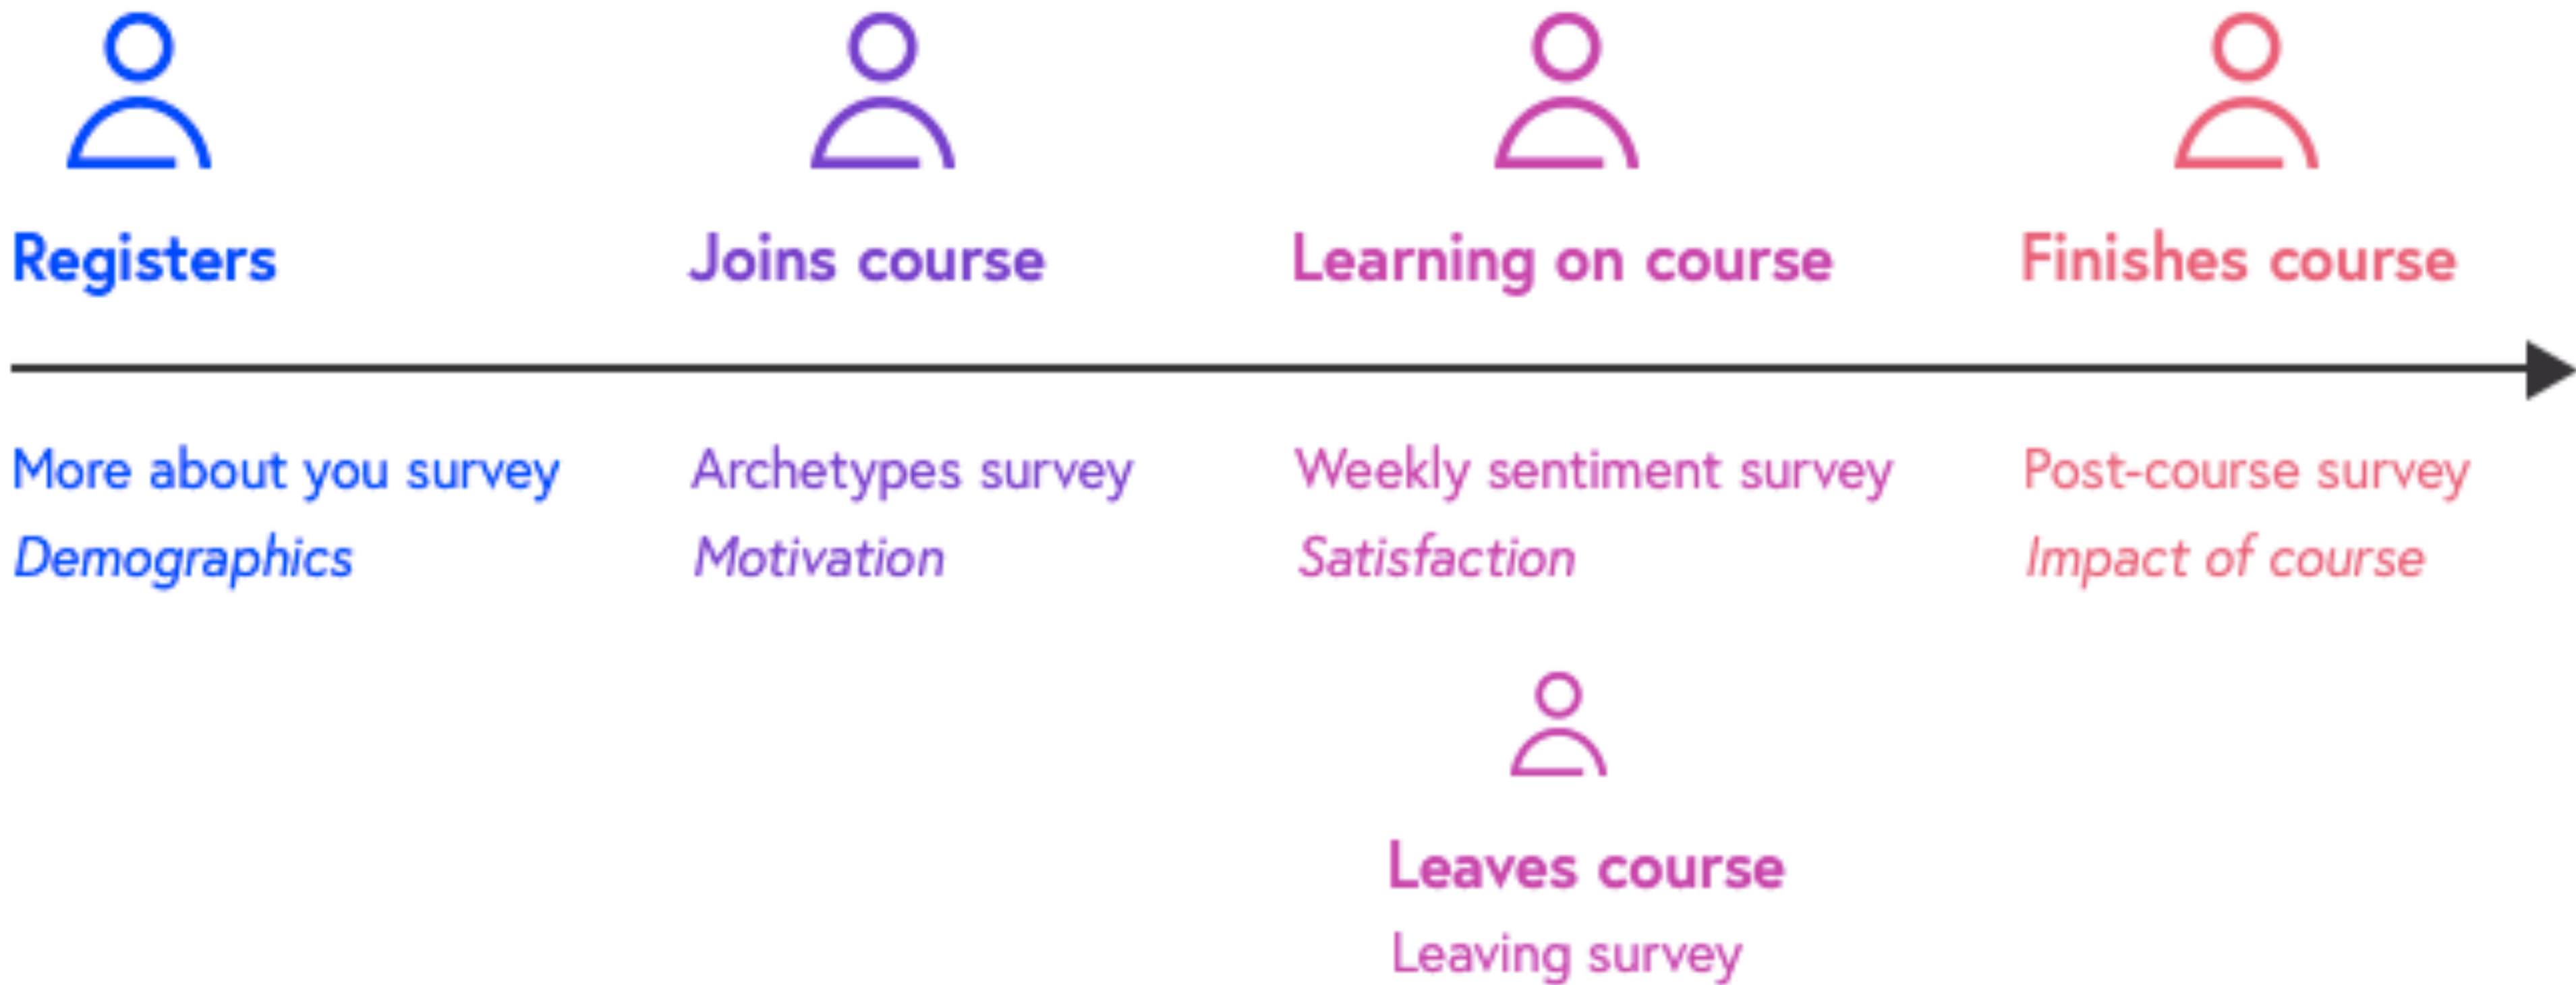

PREVIOUSLY: SurveyMonkey links sent by email

Data available by asking Partnership Manager & on Demographics dashboard

NOW: Learners surveyed on futurelearn.com

Data available on Stats dashboard & on Demographics dashboard

What (if anything) would you like to learn next in this subject area?

About the liver

advanced medical biology

Is there anything else you would like to tell us?

I found it interesting

The course was short and concise and wasn't repetitive which i thought was good because it meant it was more engaging.Also, the videos were really interesting and i learnt a lot especially in the video with the surgeon.Thank you.

Thank you for it.

Appreciate the opportunity to take your Future Learn courses. Love to be able to learn a little about a lot! As a retiree, this source of learning I am finding amazing. Thank you!
