Understanding Teachers

Understanding CPD

Teachers' needs

Portfolio direction

What is CPD anyway?

Continuous professional development - professional development is the full range of activities, formal and informal, that develop an individual's skills, knowledge, expertise and other characteristics as a teacher or education administrator

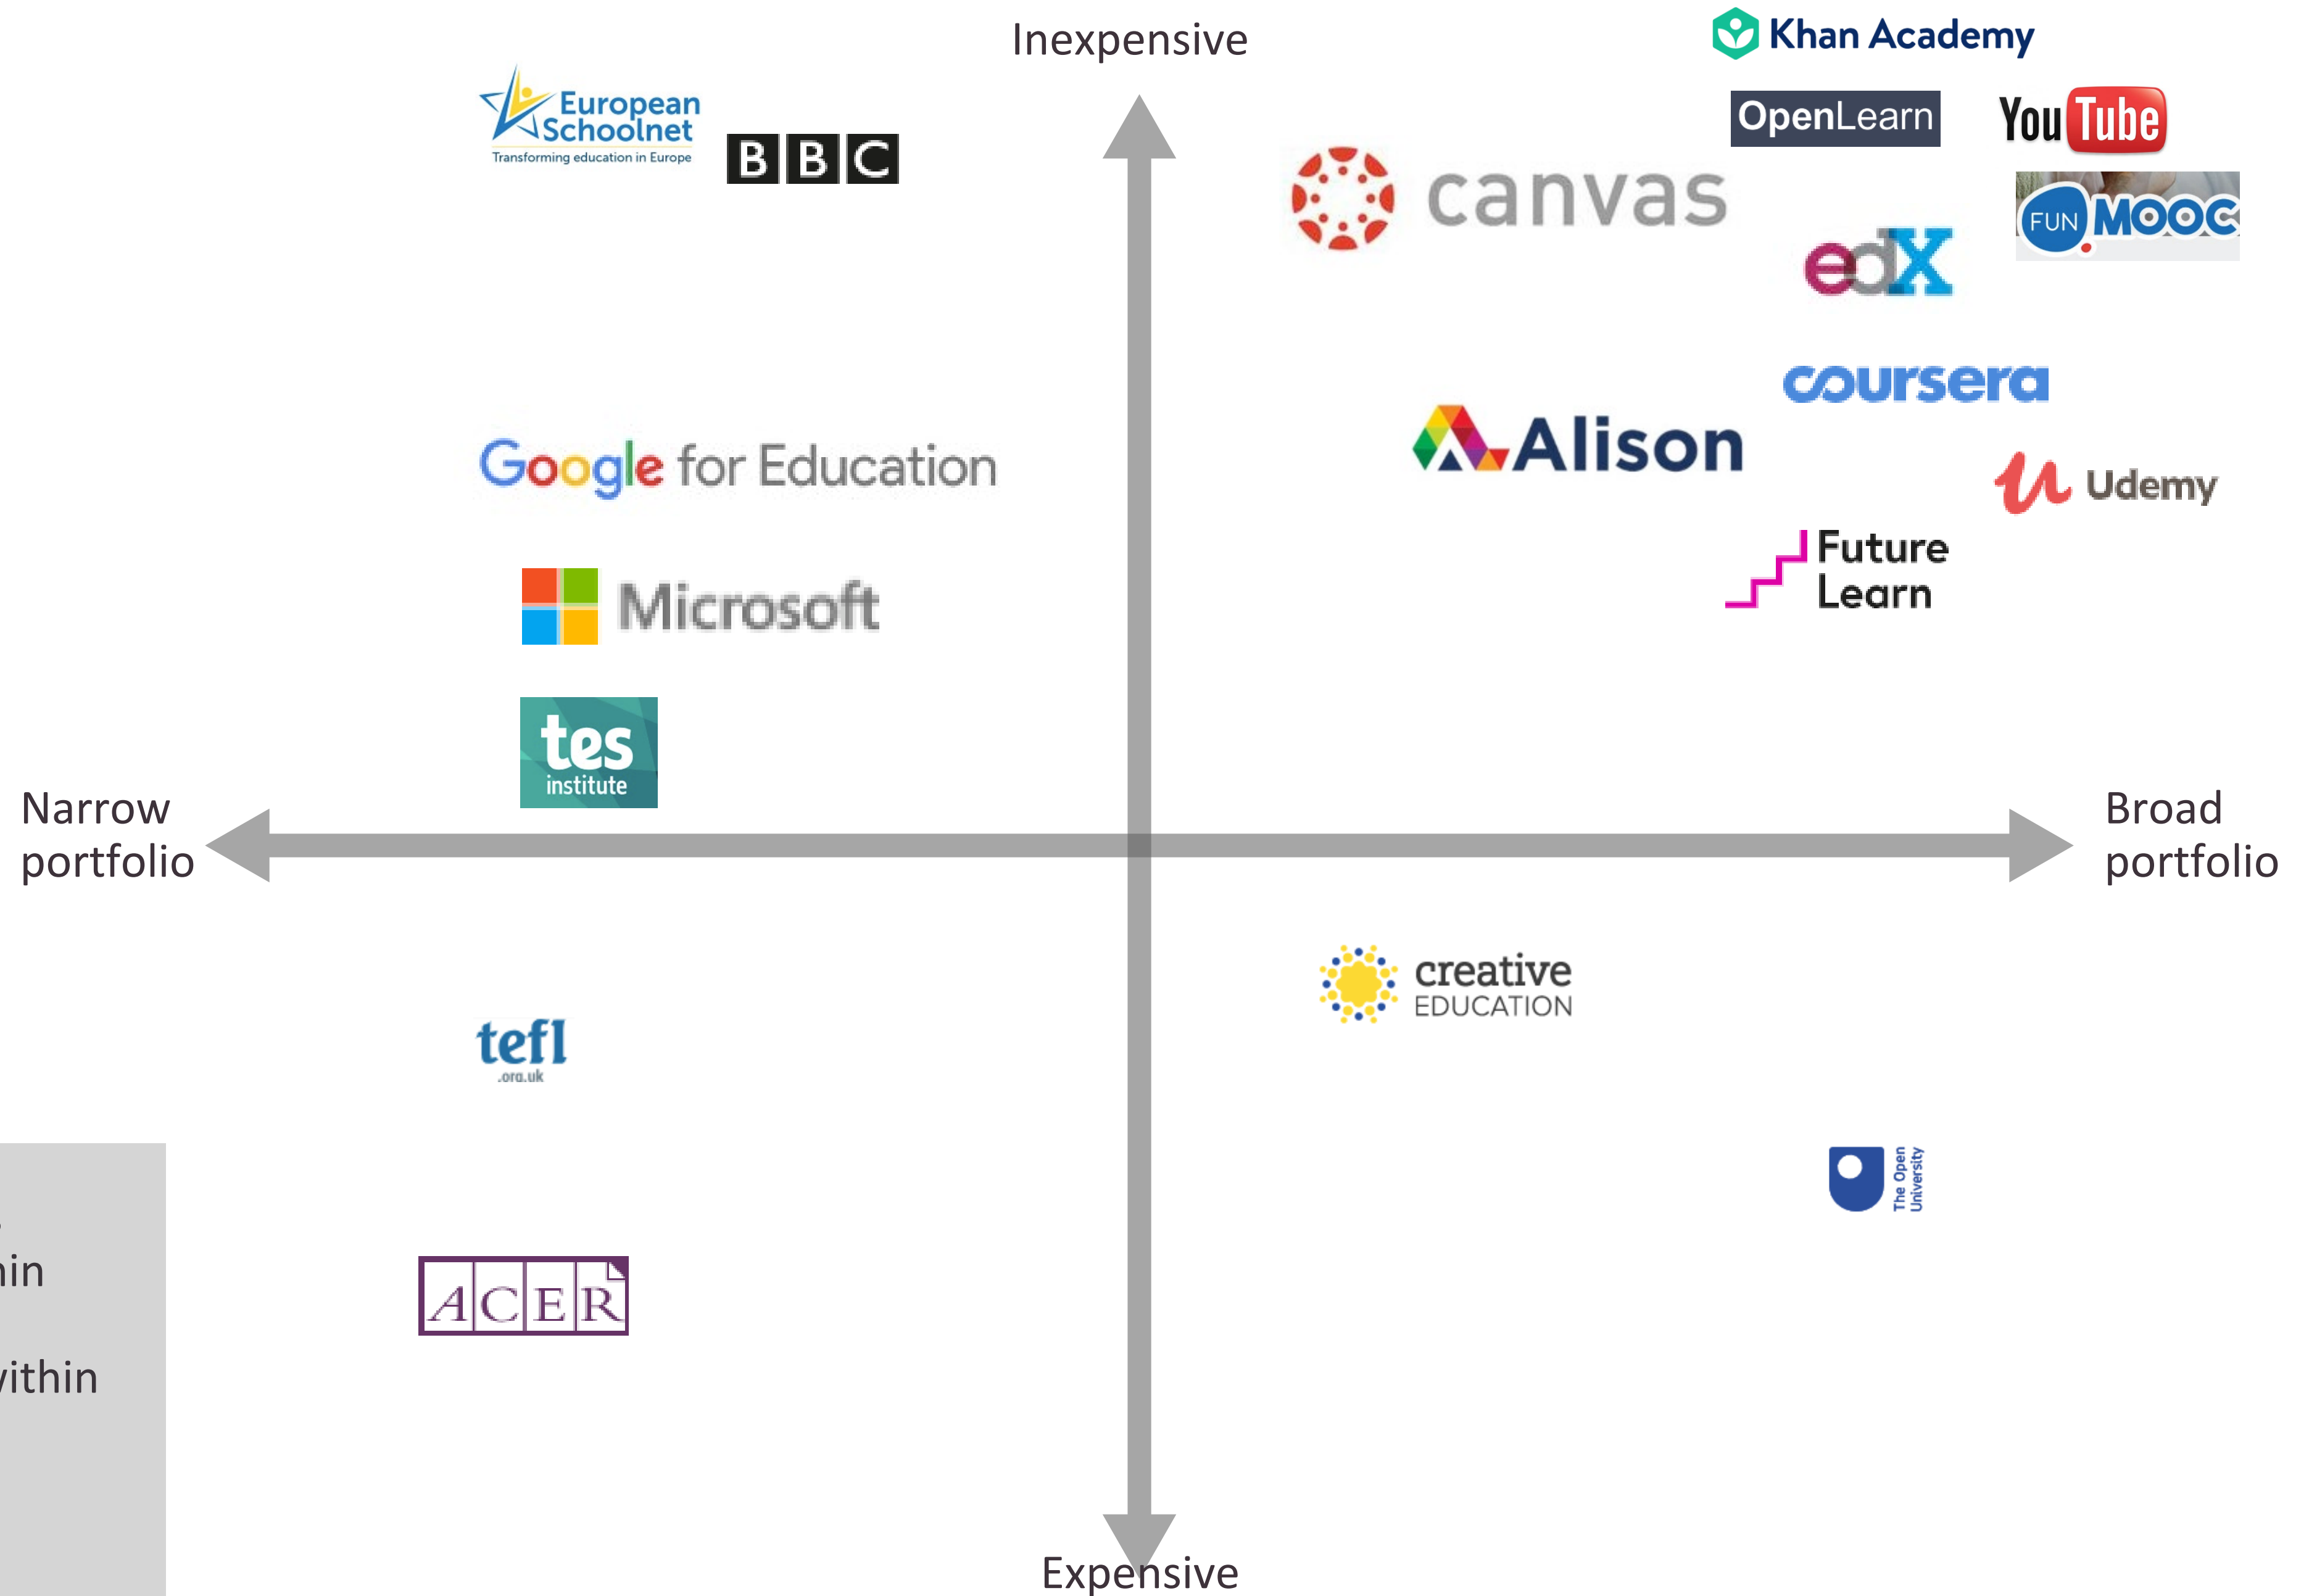

Common terms and acronyms include: *professional learning, continuous professional development (CPD), continuous professional development and learning (CPDL), joint practice development, and in-service training (INSET)*

CPD currently includes

	Face-to-face / offline	Online
Independent	<ul style="list-style-type: none">Reading articlesSubject-specific trainingTraining in operational or procedural tasksStatutory training around particular processes e.g. regional assessments	<ul style="list-style-type: none">Subject-specific trainingSelf-paced coursesTraining in operational or procedural tasks
Collaborative	<ul style="list-style-type: none">WorkshopsSeminars, conferencesShort coursesMentoring and being mentoredContributing to education system initiative pilots, trials and projectsSchool/employer-based in response to specific priorities	<ul style="list-style-type: none">WorkshopsWebinarsWeb conferencesNetworks, forums, discussion groups

Online CPD Providers

Narrow: portfolio of courses is focused on a specific area within teaching
 Broad focus: different topics within teaching are covered
 Expensive: £1000+ per course
 Inexpensive: Free

* People who work in teaching and education when taking a Teaching course

Teachers survey

Respondents: 1410 responses from learners who said they work in teaching & education and have done at least 2 teaching courses on FutureLearn

Type of employment

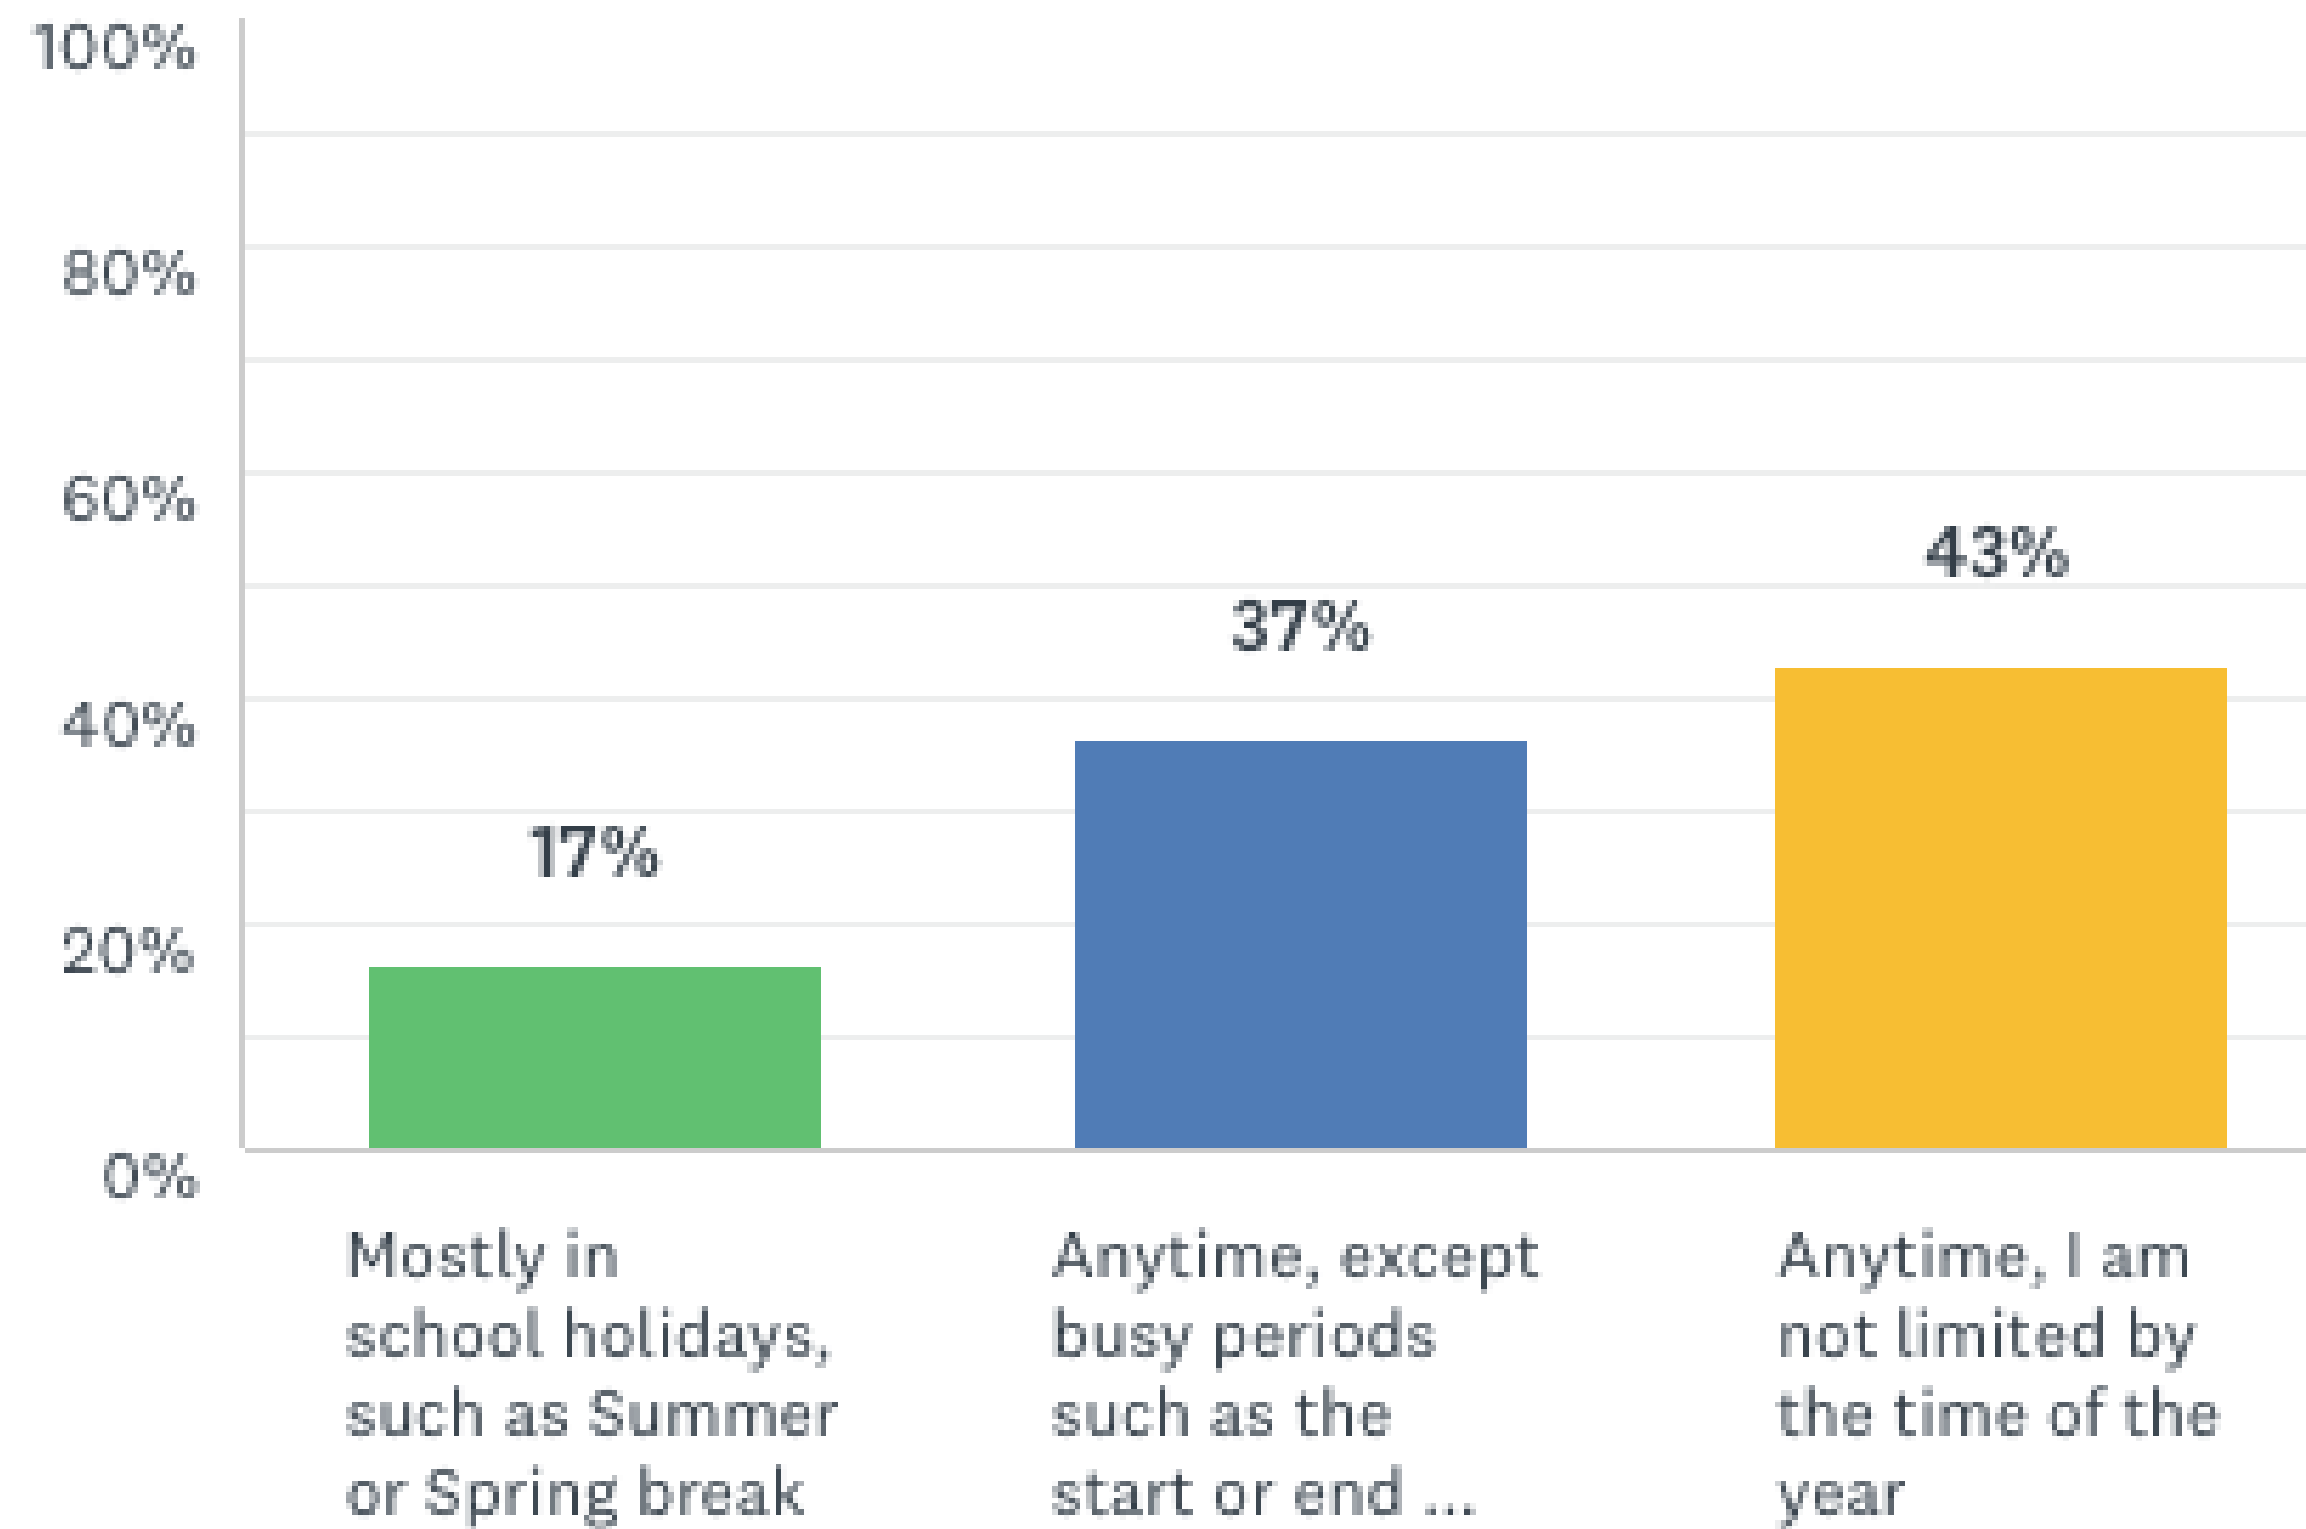

Length of teaching experience

Teachers engage with learning continuously, but less likely during busy school periods

When do you do CPD training?

How often do you do CPD training?

What do they teach and to whom?

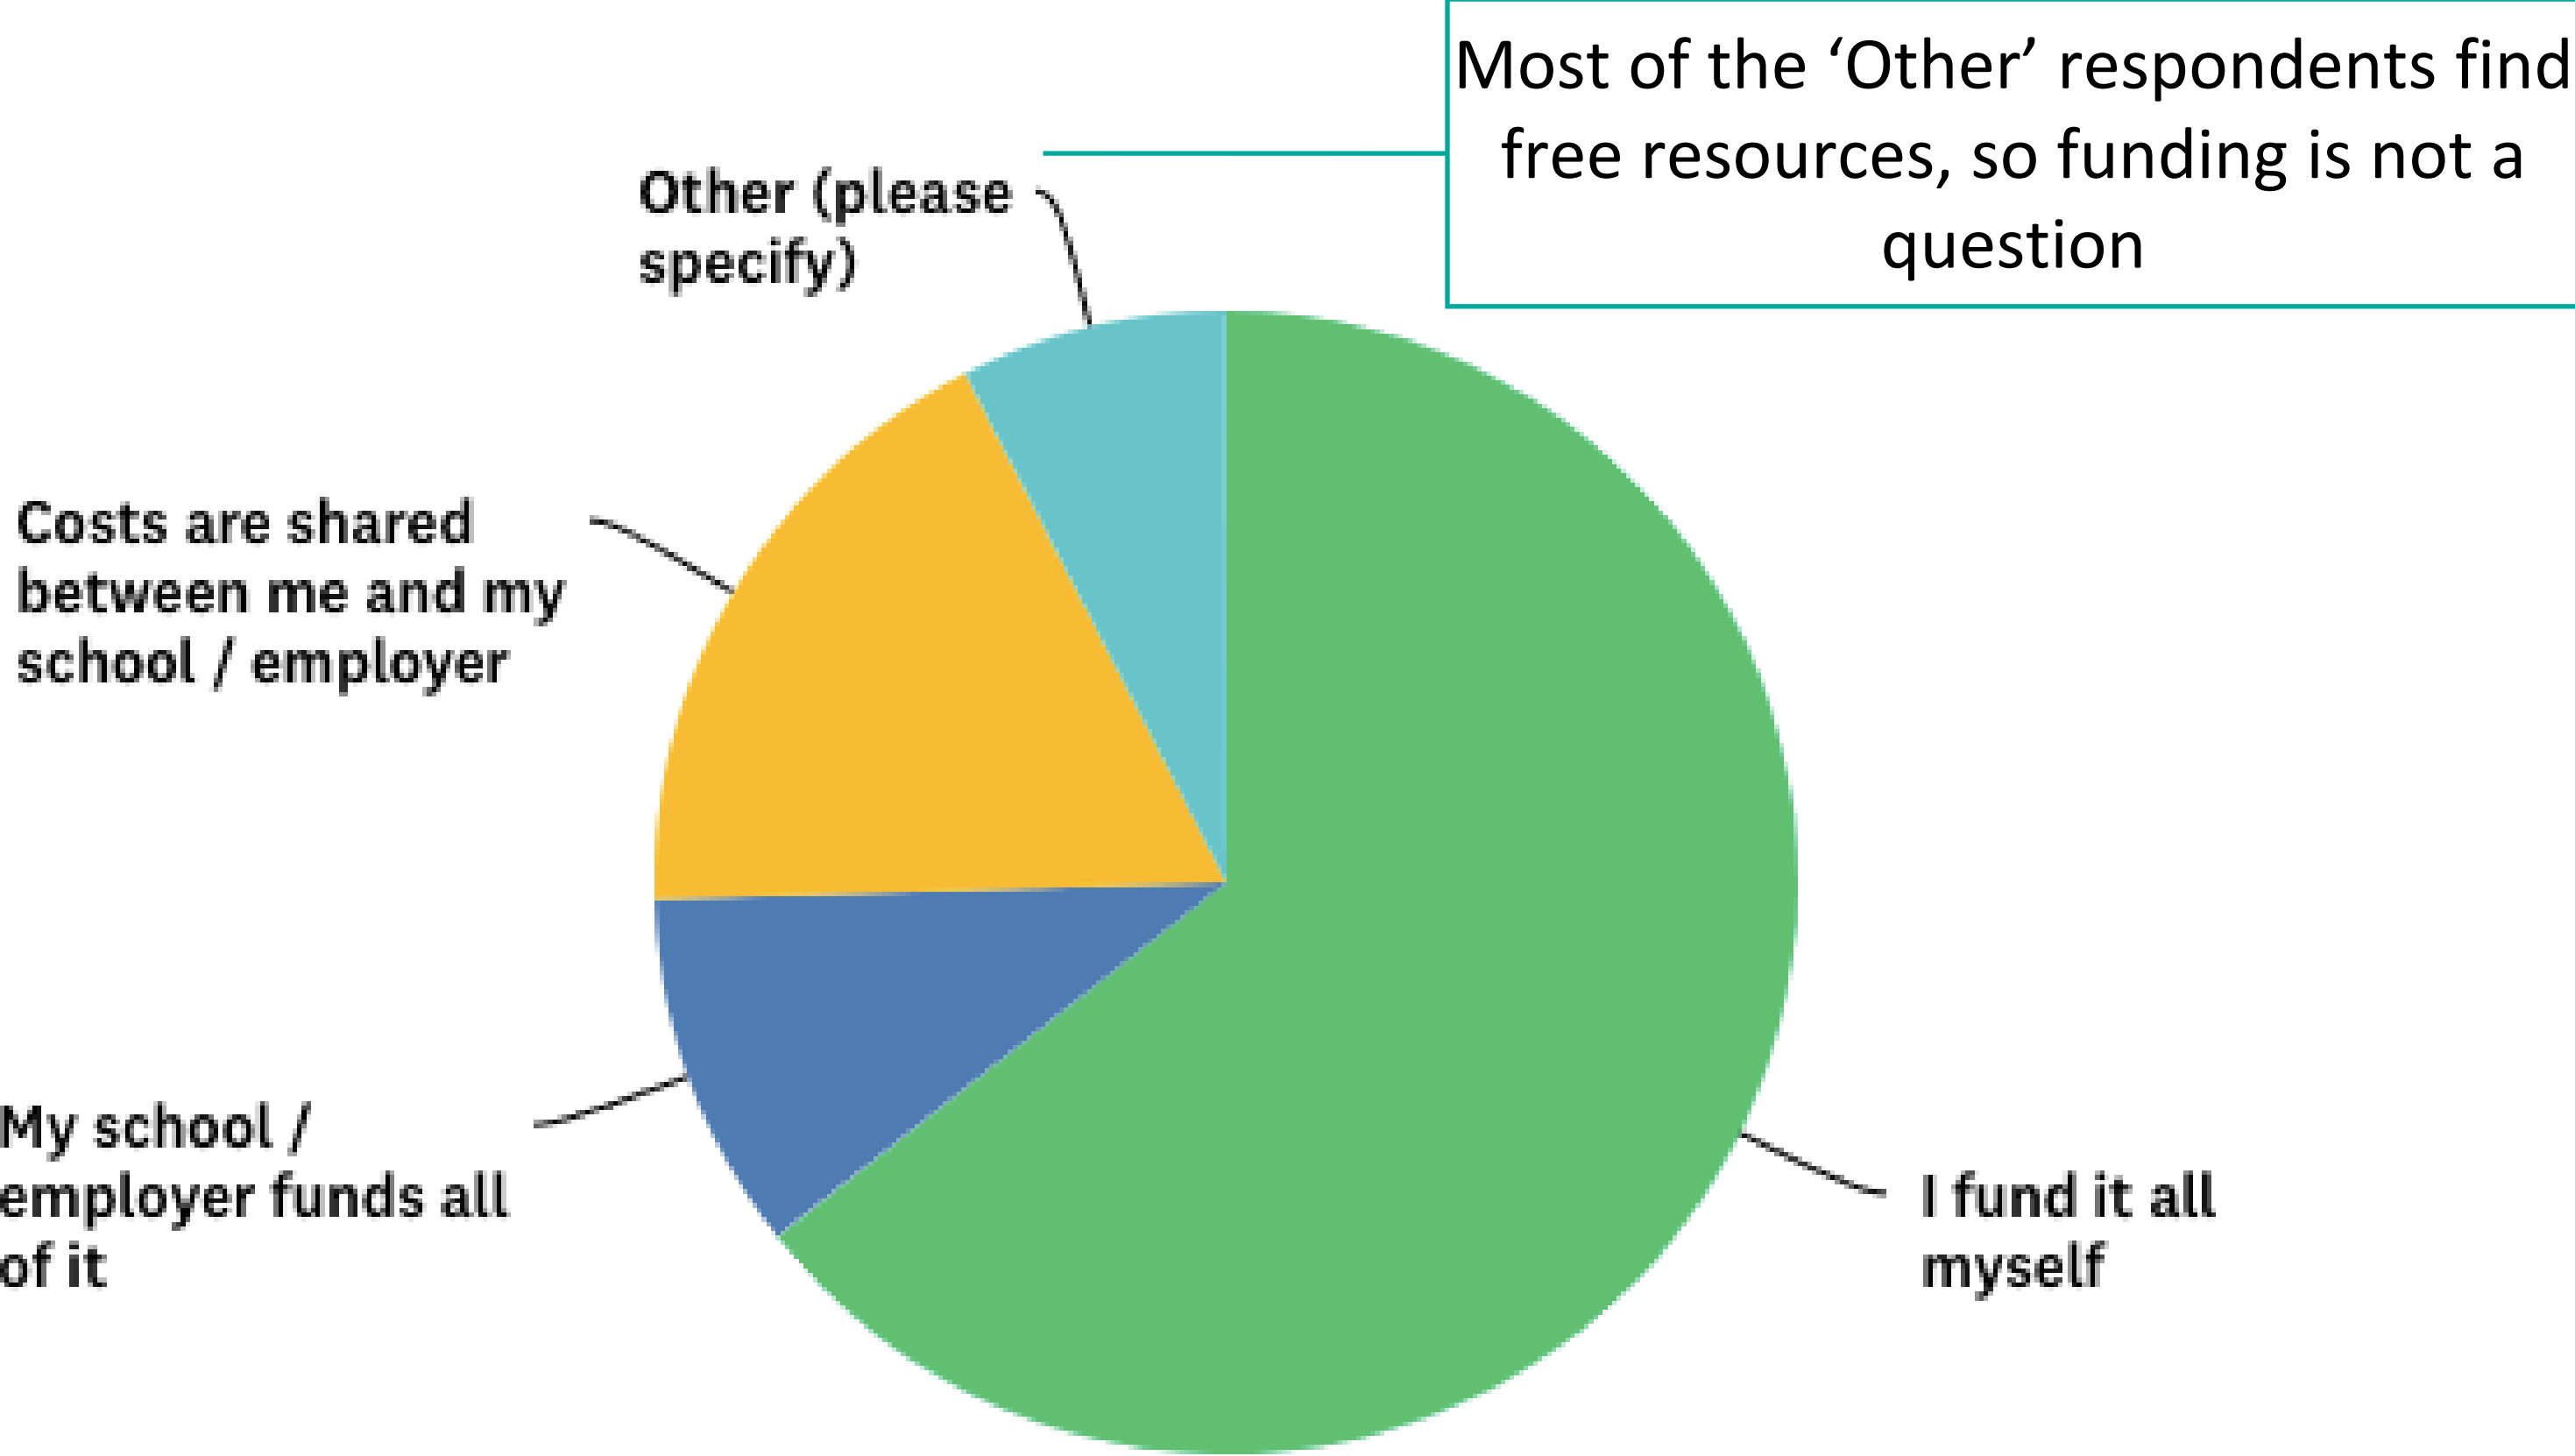

What do they teach by region? - Distribution by regions

	English as Foreign Language	Other foreign language	English	Maths	STEM	History	Arts & music	Sports	Business / economics	
AU & NZ	16%	19%	28%	40%	51%	30%	23%	14%	9%	100%
UK	22%	16%	22%	32%	35%	22%	21%	16%	9%	100%
NA	31%	9%	34%	29%	34%	29%	20%	9%	11%	100%
Africa	50%	8%	17%	16%	21%	6%	7%	3%	8%	100%
Asia	73%	7%	19%	16%	24%	7%	5%	2%	5%	100%
Middle-East	75%	8%	8%	17%	20%	2%	2%	2%	2%	100%
Europe	84%	15%	9%	5%	10%	3%	3%	2%	4%	100%
SA	90%	15%	14%	7%	10%	8%	0%	1%	8%	100%

Funding

How is your professional development funded?

Funding by regions and by age of students

Funding by	Self	School	Shared
South-America	82%	9%	9%
Africa	79%	13%	9%
Europe	76%	7%	17%
Middle-East	75%	13%	12%
Asia	71%	13%	15%
North-America	57%	7%	37%
Australia	49%	5%	46%
UK	44%	20%	36%

What challenges have you faced in relation to professional development and training? (n=1,216)

% of those who answered	Answer
55%	I do not have enough time
51%	I do not receive funding for it
24%	I cannot find the training I need
12%	I have not had any challenges with professional development
6%	I do not know what training I need
6%	Other, e.g. lack of internet or access to equipment

Reasons to do CPD - mostly intrinsically motivated

“The most effective teacher is one who continually learns” /FL Learner/

“I love learning - I can always improve. I want the best outcomes for students.” /FL Learner/

I am always seeking ways to improve my teaching skills	93%
I wanted to improve my capability to teach a specific subject	67%
I wanted to find a solution to a specific situation I had encountered	36%
I wanted to be more marketable for future jobs	34%
I wanted to gain a certificate	29%
I wanted to develop skills for a new job I had started	23%
I wanted to keep up with my colleagues	15%
It was mandatory as required by my school	14%
I wanted to impress my employer	5%
Other	5%

What would an ideal course be like?

“There would be many videos of actual classroom lessons, downloadable materials, opportunities for discussion, short quizzes or surveys, and feedback from moderators.”

How is an ideal course?

%	TOP THEMES	VERBATIM
36%	Practical & downloadable materials	<i>“Practical exercises to be implemented right away such as videos, songs, short stories etc”</i>
14%	Social learning	<i>“Interactive knowledge sharing and discussing problematic situations (and even possible ways of their solutions)”</i>
13%	Self-assessment / quizzes	<i>“It'd be having quiz that would be assessed by instructor(s) and also peer.”</i>
12%	Expert feedback	<i>“It would be led by experts in the field who would provide learning videos as well as live webinars for asking questions occasionally.”</i>
10%	Manageable time requirement	<i>“Short online course are best as work commitments sometimes crop up.”</i>
8%	Real life classroom examples	<i>“I would like to see more videos of real classroom situations such as group activities, behaviour management”</i>

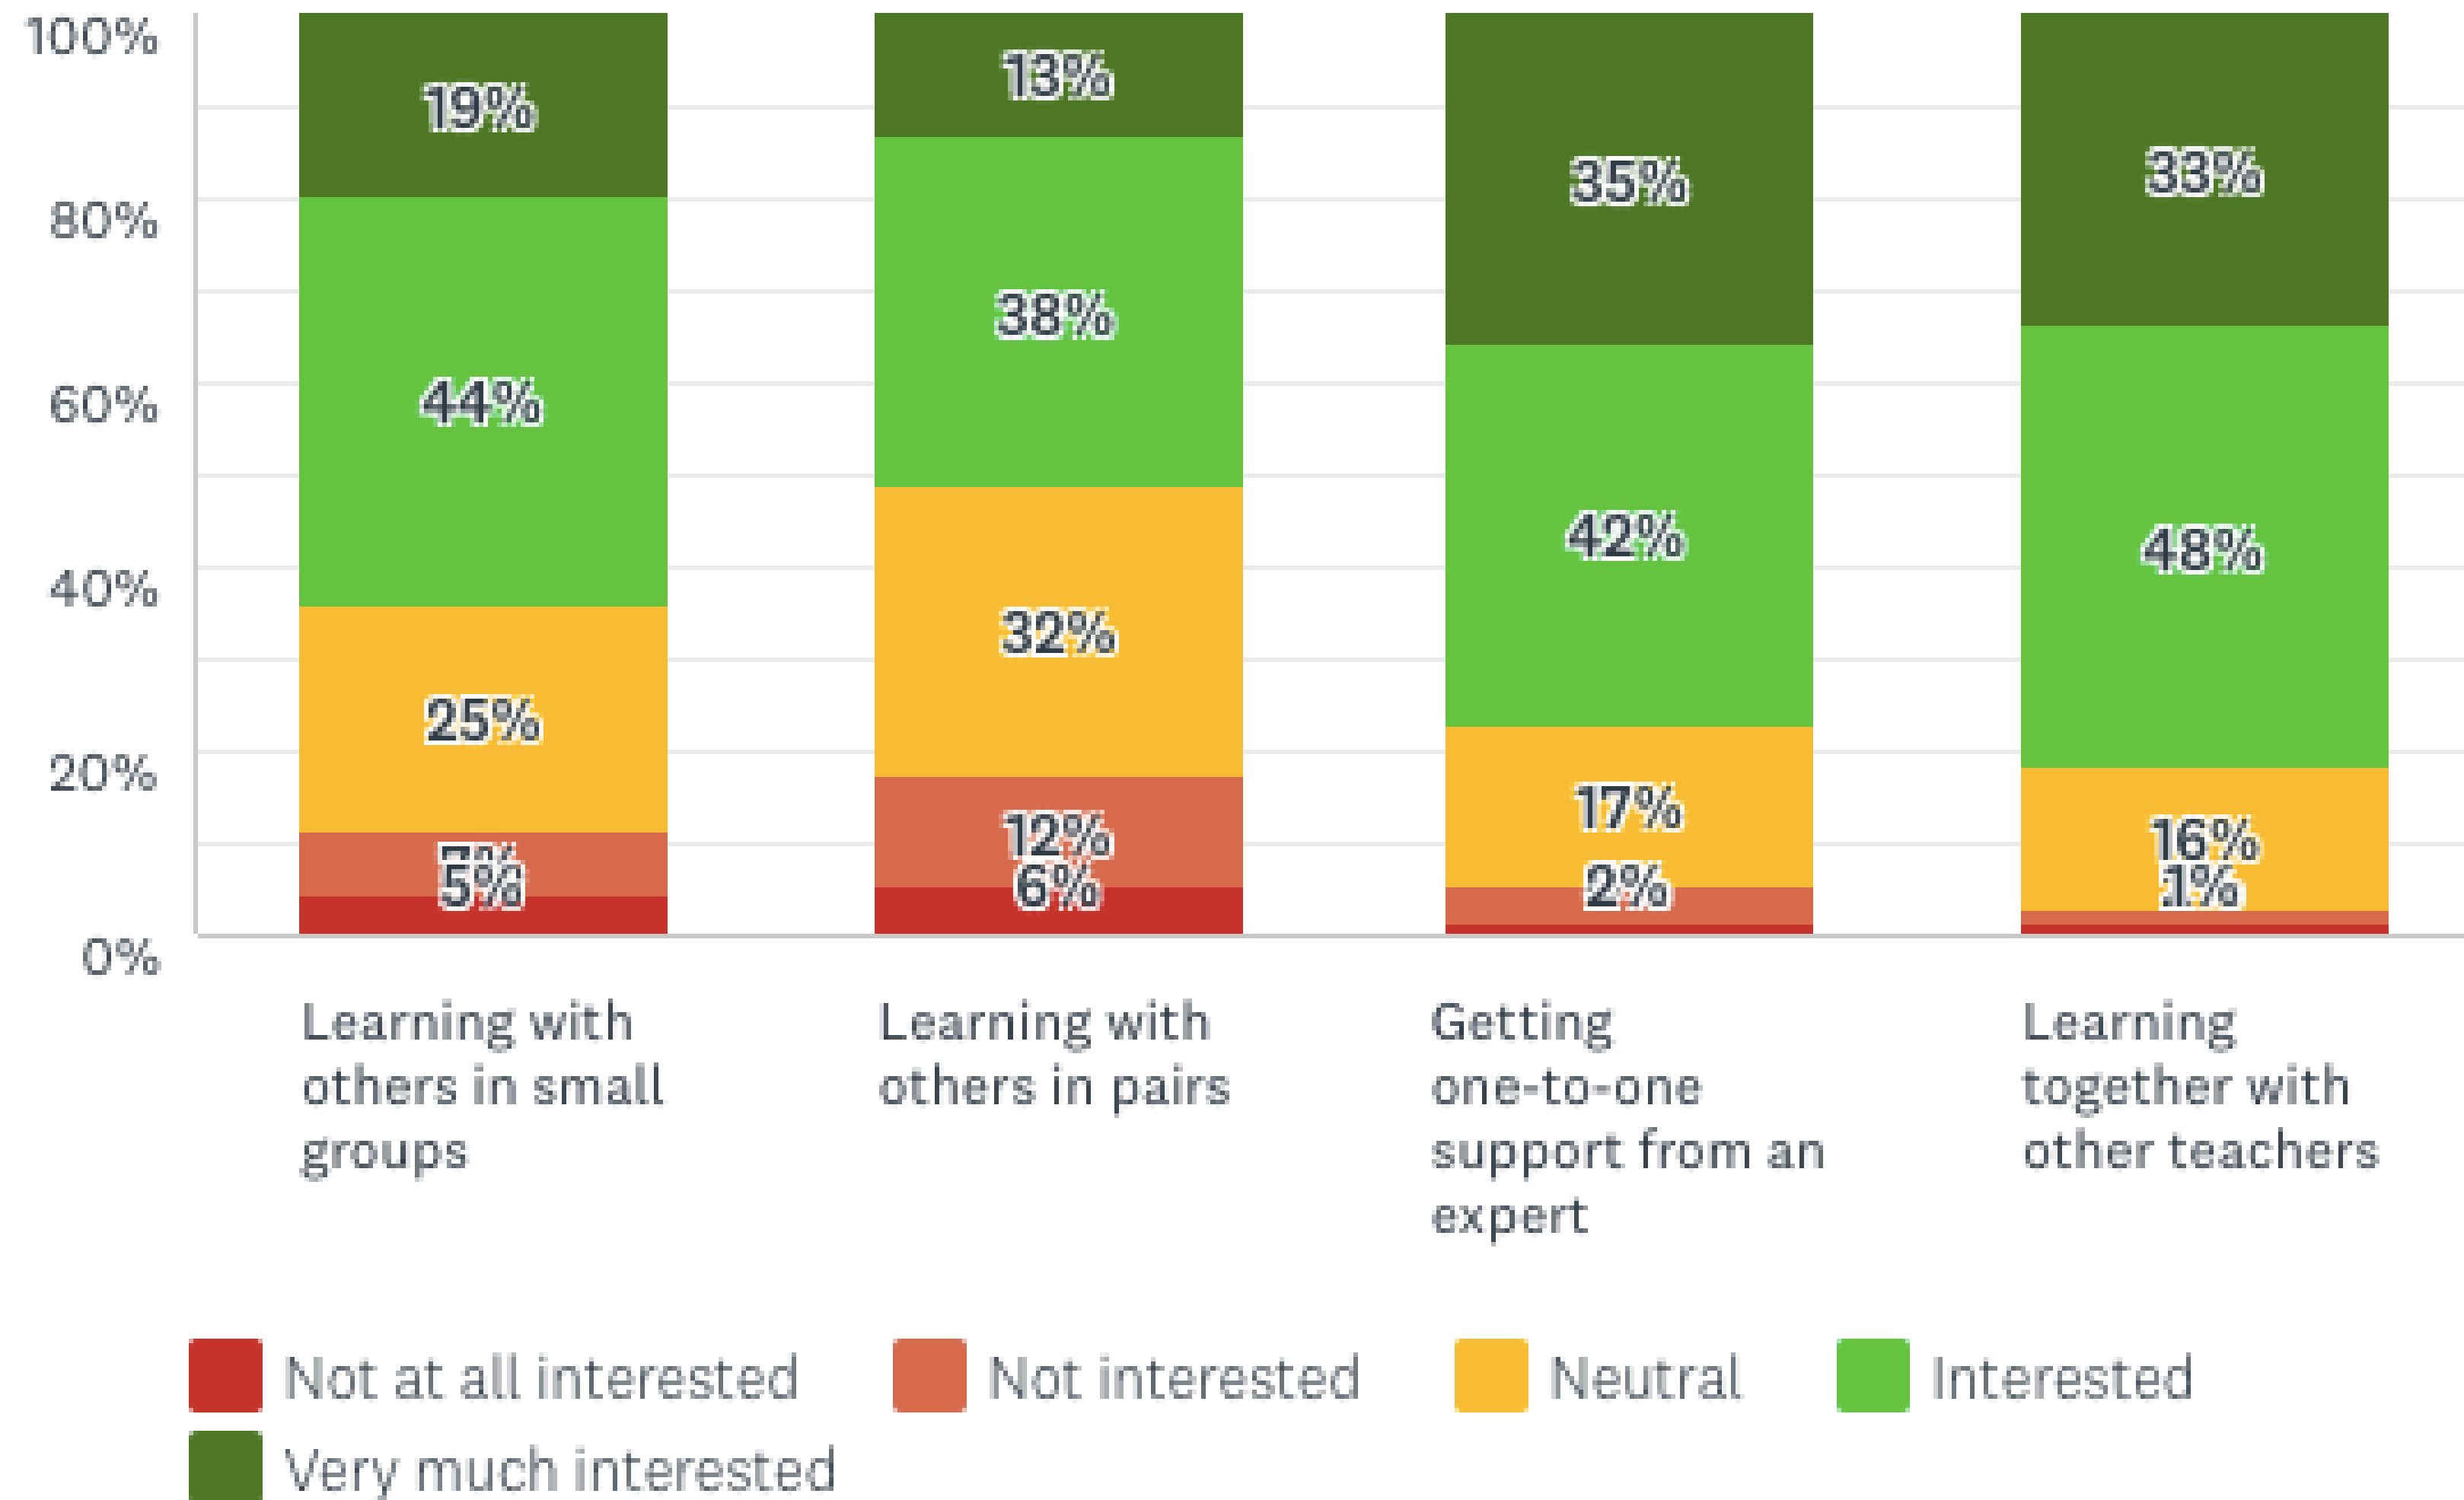

What matters for a CPD? Practical with additional downloadable materials

Practical content that I can apply with students right away	85%
Provides downloadable materials that I can use continuously	81%
Taught by leading experts in the field	70%
Accredited by a professional body / academic institution	54%
Short duration that fits with my schedule	53%
Provides a certificate that proves my learning to employer / students	51%
Provides opportunity to assess my learning with tests or assignments	49%
Theoretical, helps me to understand key concepts	48%
Provided by a prestigious academic institution	38%
Other (please specify)	3%

What is the ideal weekly workload of a CPD training?

Learning together with other Teachers and getting guidance from experts are the most attractive social features of a course

Last CPD training's topic

- Developing curriculum
- Lesson planning
- Teaching with limited resources
- Classroom / behaviour management
- Blended learning
- Using online tools in the classroom
- Teaching young children
- Assessing / evaluating skills
- Creative / fun ways of teaching
- Inclusive teaching
- Science of learning
- Motivating students
- Storytelling techniques

32%
How to teach...

- Preparing students (eg. IELTS, TOEFL, TOEIC)
- Preparing for teacher exam (eg. CELTA, TKT, TESOL)

7%
Exam prep

9%
STEM subjects

14%
Health / Psychology

- Bullying
- Dyslexia
- Mental health
- Autism
- ADHD
- Other SEN
- Child protection / safeguarding
- Counselling
