The Benefits

To make your research known

To increase chance of citation

To correct attributions

To ensure research is counted in research assessment

To increase chance of new collaboration

To increase chance of funding

Different functions have created different systems

Disambiguation – ORCID/Scopus ID/Researcher ID

Promotion/Visibility/Networking - Personal sites/Institutional sites/Academia.edu/ResearchGate/Facebook/LinkedIn

Reference Management tools – Mendeley

Open Access Publishing – Institutional Repository

Research Assessment – CRIS/Institutional Repository

Search Engines – Google Scholar/Scopus ID

Different systems have different modus operandi

Institutional / Personal

Commercial / Not for profit

Open / Closed (... or shall I say *walled garden*)
