ORO UPDATE

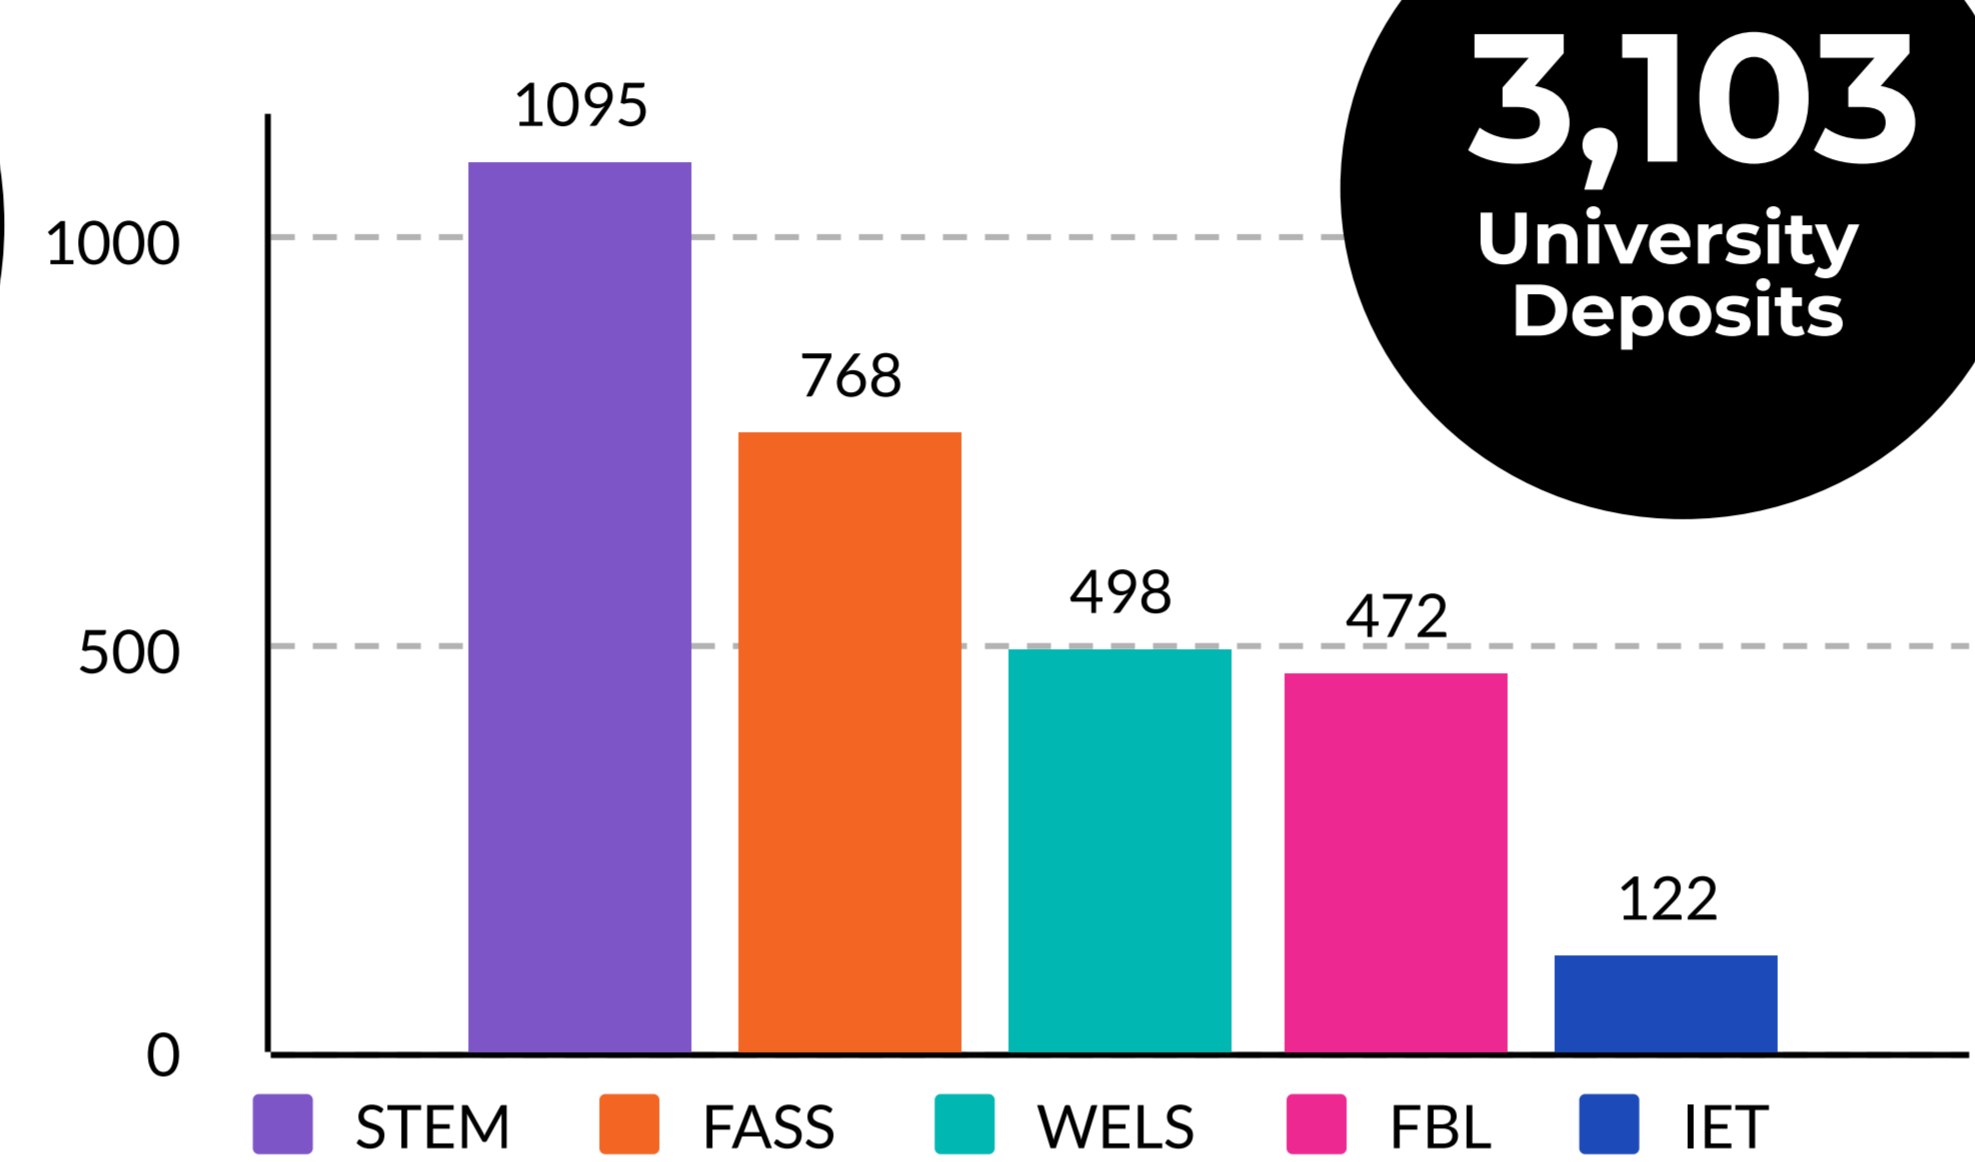

2020/21

Downloads

Papers are downloaded from ORO from across the world as the repository is indexed by web and academic search engines.

Deposits

Deposit data reflect the different faculty sizes and different practices of scholarly communication across disciplines.

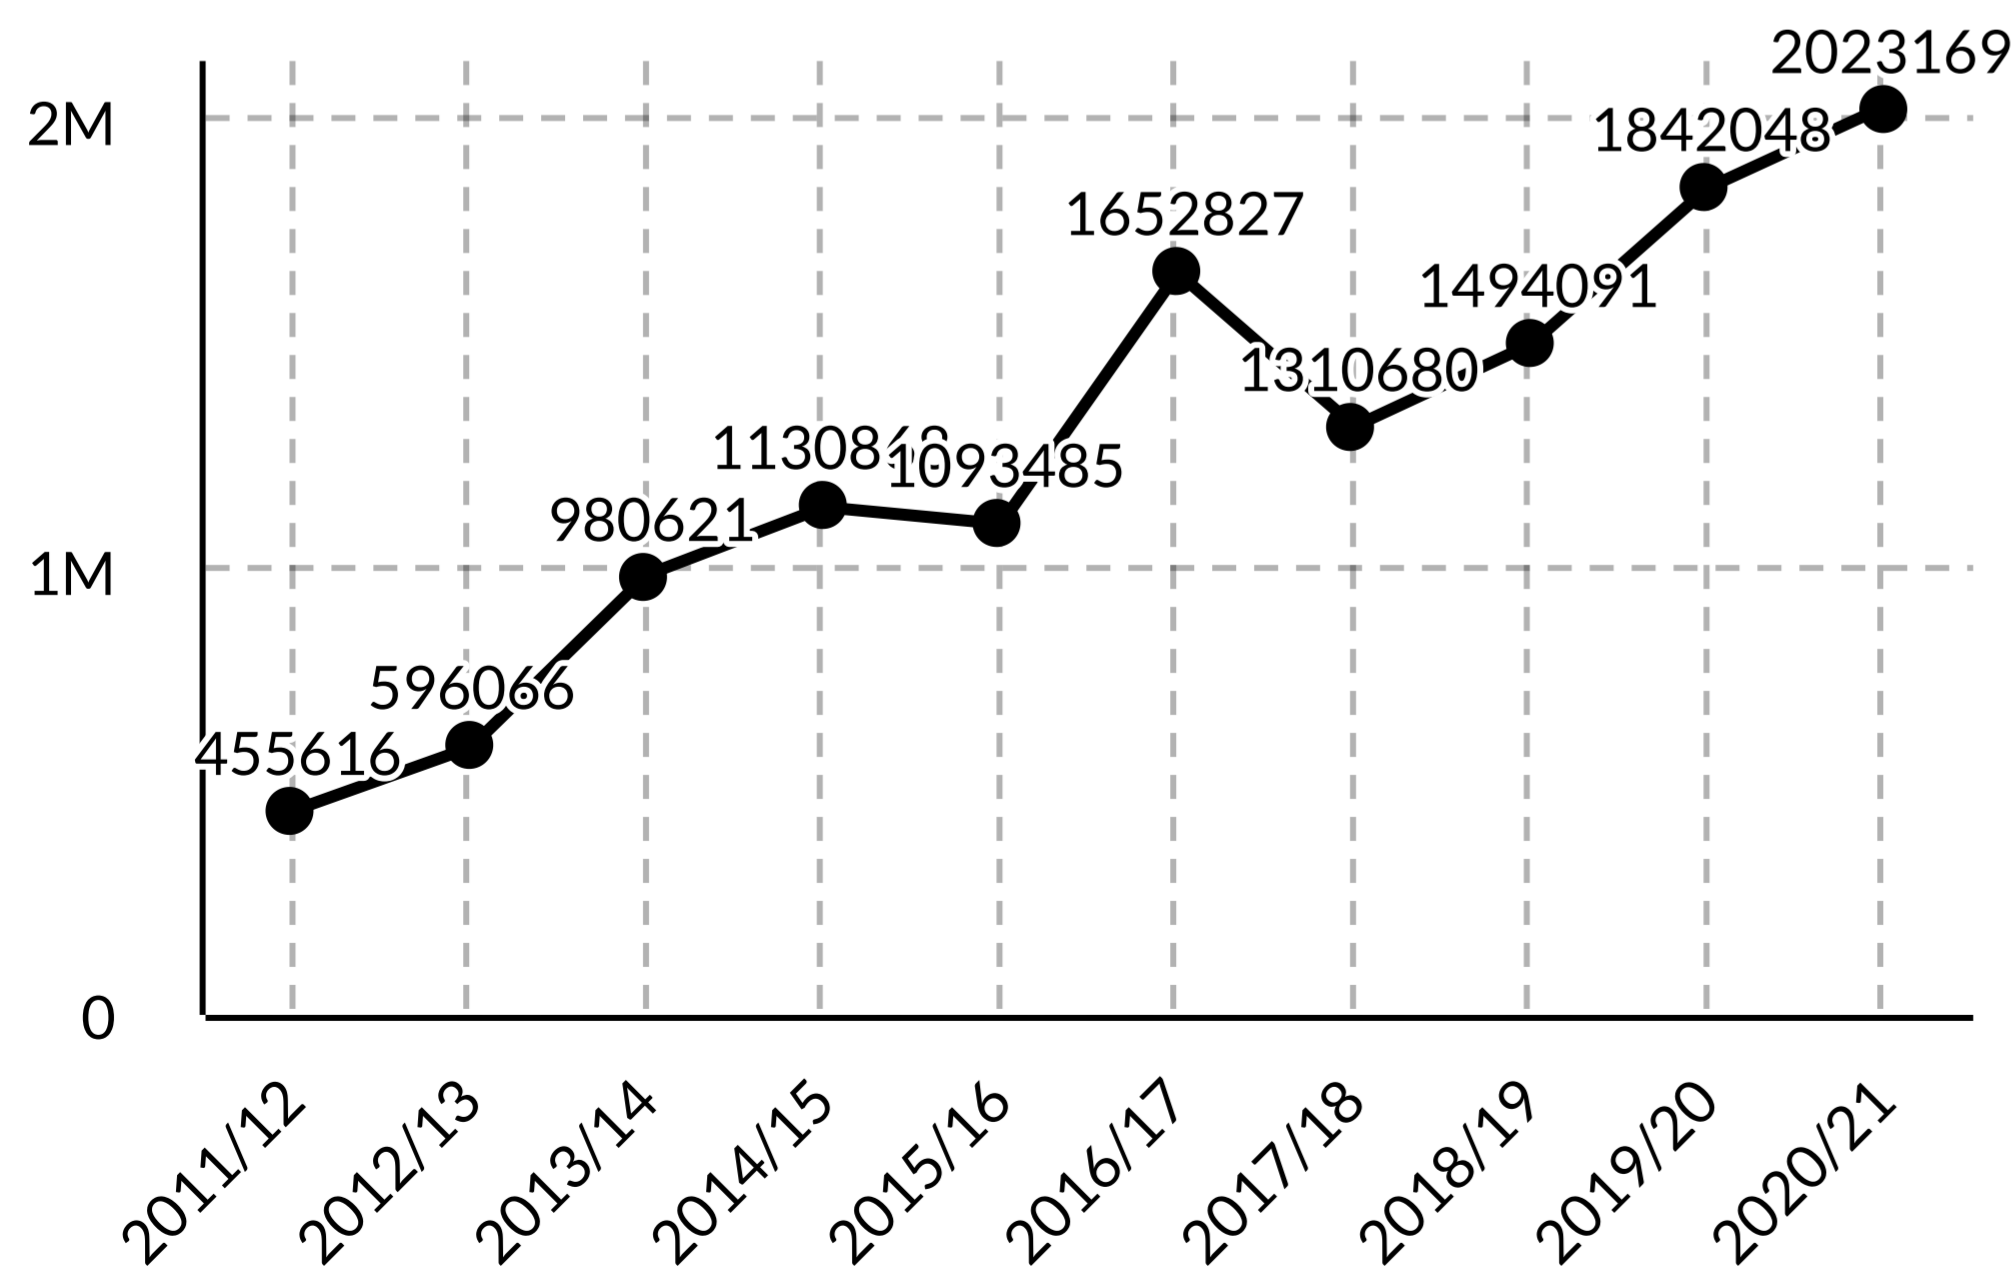

Open Access %

Open Access is defined by the presence of a free to read paper in ORO, either the published version (Gold OA) or an accepted version (Green OA).

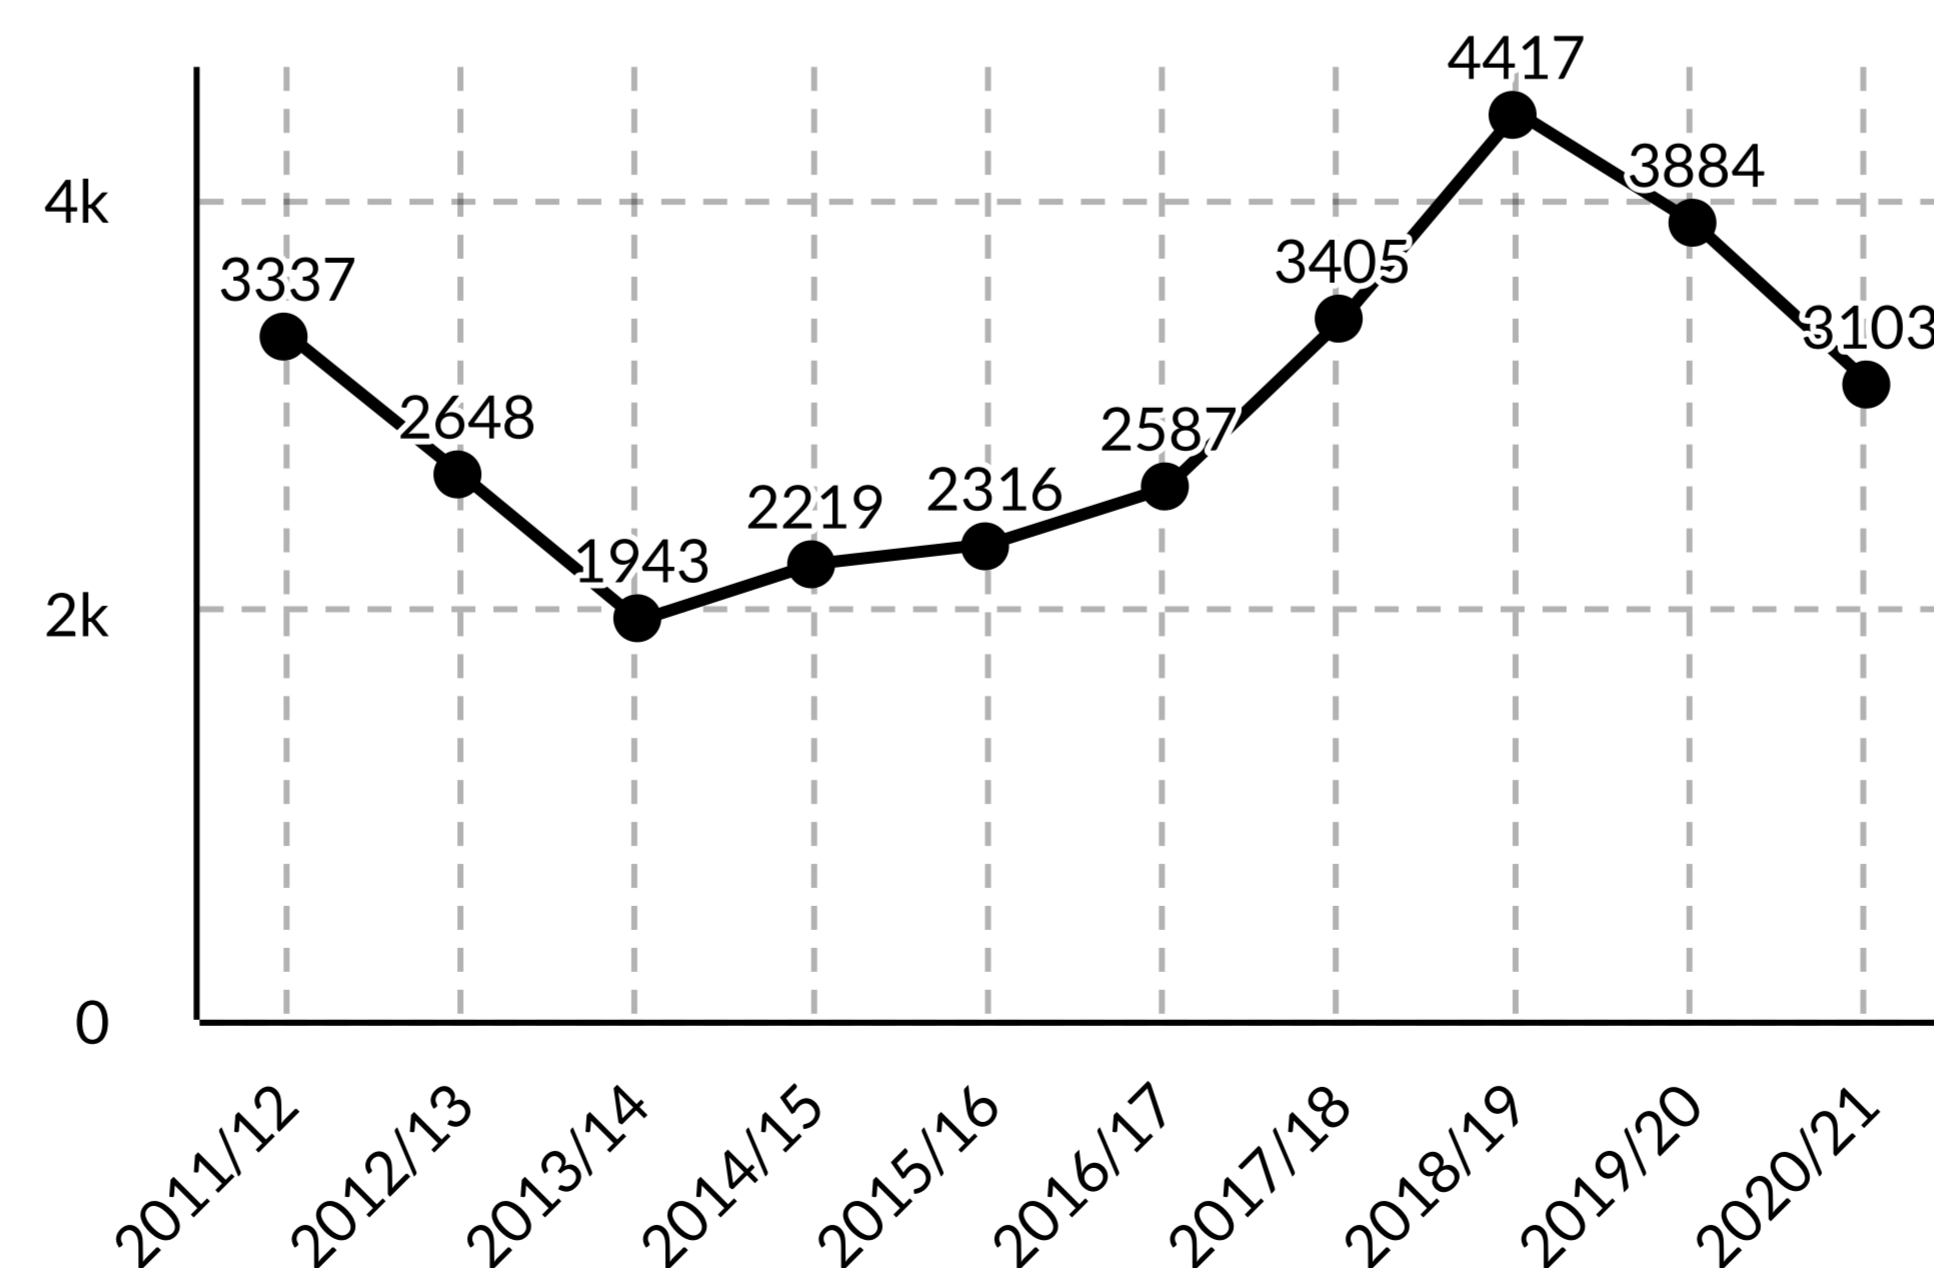

TRENDS

Downloads

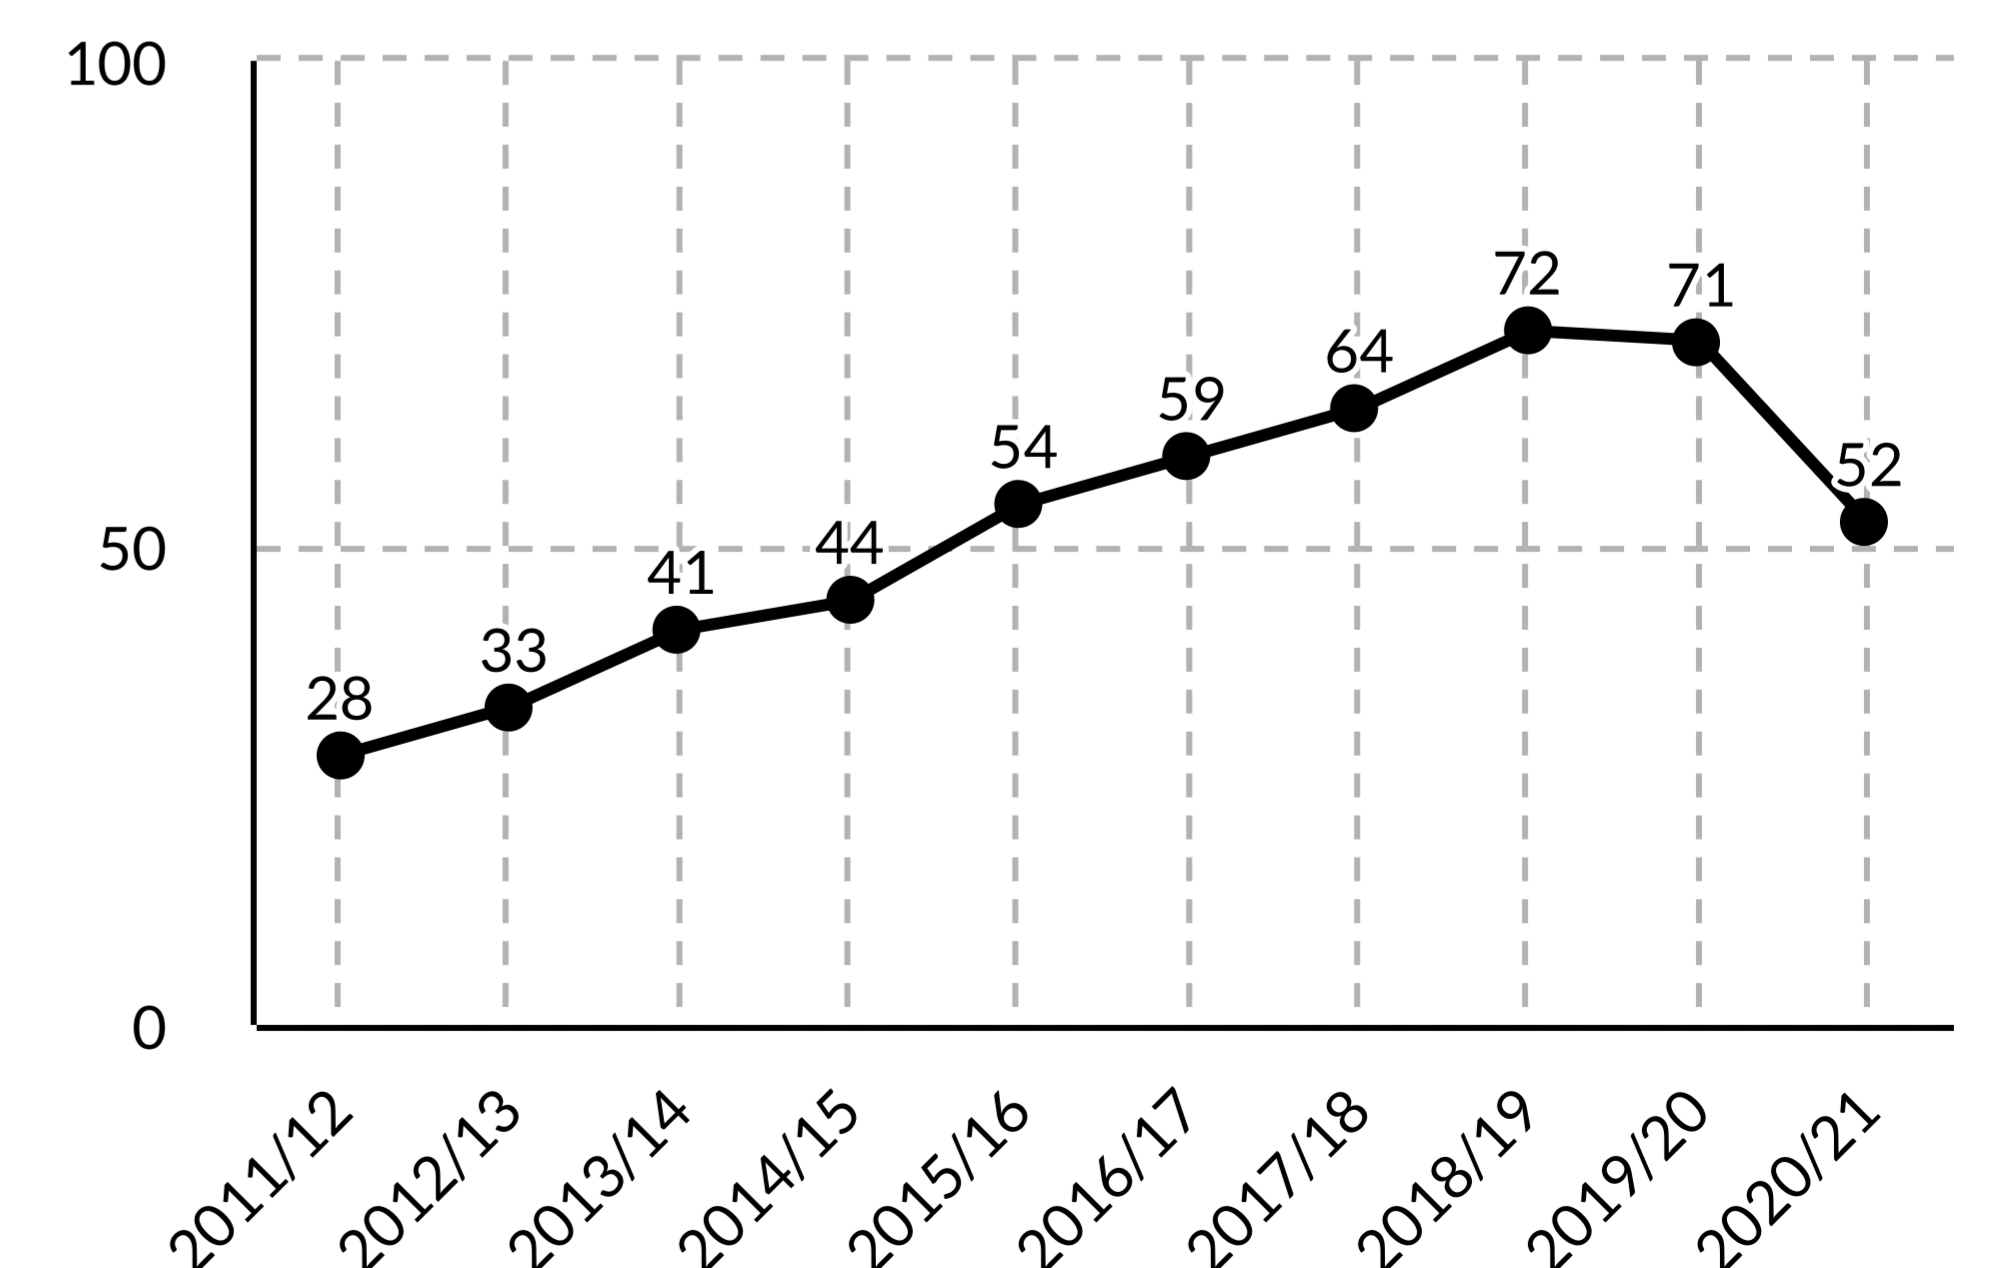

Downloads increase year on year as the repository grows and there is a larger number of papers to download.

Deposits

Deposits vary year on year and are affected by REF cycles, deposit of backfill publications by new members of staff and digitised theses.

Open Access %

Open Access percentage for the last year will be reduced as some papers will be under a publisher embargo.
