The Open University Disabled Veterans’ Scholarships Fund

The Disabled Veterans’ Scholarships Fund offers veterans, disabled in or due to military service, access to free Open University education and specialist support.

The programme has already provided 200 full fee waiver scholarships (or equivalent), and a wraparound disability and careers support service, to ensure that students are able to fully take advantage of educational opportunities. We are seeking to offer a further 50 places in 2022/23.

Study may take the form of an introductory access module, a first Level 1 module, or an entire undergraduate or postgraduate qualification; dependent on the needs and objectives of the applicant.

The scheme, supported by a bespoke team of advisors, will draw on The Open University’s 50 plus years of experience in providing education to disabled students. With a disabled student community of over 23,000 students, The Open University is expert in providing extraordinary support to students experiencing an array of physical and mental disabilities.

   - Be eligible for a UK fee
   - Be disabled as a result of, or in, serving for the British military
   - Be intending to study an Open University module or qualification for which some, or all, of the tuition fees will be charged to you
2. Full fee waivers up to a maximum of 120 credits per academic year and 360 credits in total will be available. Awards will be strictly limited to a single qualification.

3. Fee waiver amounts will be calculated based on the fee amounts for which you are directly liable.

4. Study breaks will be permitted up to a total of 24 months in aggregate. Study breaks of longer than 24 months will terminate your eligibility for the scholarship fund after which a request for exceptional reinstatement will be required. Requests for reinstatement should be submitted directly to studentfees@open.ac.uk.

5. In circumstances where you are required to repeat, defer or withdraw from a module, consideration will be given to the circumstances which led to the repeat, deferral or withdrawal and an exceptional award of additional waivers or a fee credit may be approved.

6. Decisions on exceptional awards will be made by the Chair, Bursary & Scholarships Management Group or their delegated authority in line with the eligibility criteria for Discretionary Fee Credits defined by the University Senate and detailed in the Fee Rules 2022/23.

7. Any waiver approved via the Disabled Veterans’ Scholarships Fund will supersede any award of support via the Enhanced Learning Credits scheme.

9. Cash alternatives will not be available.
C. Specialist Equipment

10. Successful applicants will be entitled to request specialist equipment and disability support over and above the support provided via a Disabled Student’s Allowance. Additional support will be approved on a case by case basis subject to the requirements of the applicant.

13. Successful applicants may also be entitled to:

Applications received after this deadline will not be considered.

22. If you reject the scholarship, fail to complete a registration for study in the 2022/23 academic year or we are unable to contact you to confirm your readiness for study, the award will be forfeited and The Open University shall be entitled to select another recipient.

23. The successful applicants may be offered the opportunity to take part in promotional activity related to the Disabled Veterans’ Scholarships Fund such as attending fundraising events or taking part in forums.
24. The Open University shall use and take care of any personal information supplied to it as described in its Privacy Notice, a copy of which is available on request, in accordance with data protection legislation.
