

Web-based Machine Translation (WBMT) in language learning & teaching

Project question 1: Awareness

What are ALs', Central Academics' and students' attitudes towards, experiences with, and expectations of WBMT tools?

Glossary:
Online translation tools: web-based machine translation tools such as Google Translate or DeepL
MT: module team member
AL: associate lecturer

Project questions 2 & 3: Changes

How can our curriculum be adjusted in order to reflect the availability of WBMT in online language learning?

How can our assessment strategy be adjusted to incorporate WBMT tools in a manner that supports our students' learning and teaching
