Please:

- read the statement "What constitutes plagiarism or cheating?" as summarised in the booklet, 'Information for Students Submitting Examinable Work' telling you how to submit your work;
- check that your details are printed correctly on each cover sheet and complete any blank boxes;
- attach one completed and signed cover sheet to the front of each copy of your work.

SECTION 2 Confirmation of Authorship

The acceptance of your work is subject to your signature on the following declaration:

I confirm that I have read the above mentioned statement on plagiarism and that the work I have submitted for assessment is my own work and contains no unreferenced work of others. I understand that the University reserves the right to use this piece of work for use in the detection of plagiarism and for approved research purposes.
